RE: Identity Verification

Tax Type: Income

Tax Year: 2013

Dear Taxpayer,

The Massachusetts Department of Revenue (DOR) is implementing tighter security measures in order to protect the identities of our taxpayers. Your return has been selected for identity confirmation and verification is required in order to complete the processing of your tax return.

Please visit our website www.mass.gov/dor/quiz for the "Identity Confirmation Quiz" to answer a few questions to verify your identity. You will need the Refund ID number below to initiate the quiz.

REFUND ID: 11111300105

Joint filers; please note that the confirmation quiz is comprised of questions based on the information associated with the primary taxpayer listed first on this letter.

The "Identity Confirmation Quiz" is available up to 30 days from the date of this letter. Once you have successfully completed the quiz, the processing of your return will continue. If you fail the quiz or do not take the quiz, additional documentation must be submitted to the Department of Revenue to verify your identity before the processing of your return can continue.

If you do not have access to the internet, please call **1-800-771-7144** and follow the instructions with our Confirmation Call Center representative. This number should only be used if you need assistance taking the quiz.

Thank you for your participation in this process. We are focused on preventing identity theft and verification is an important and necessary step in processing tax returns.

Sincerely,

Massachusetts Department of Revenue
