Go to <http://web1.env.state.ma.us/DCR/MassParksPublic> and click on the Calendar tab.

The Department of Conservation and Recreation (DCR) invites you to attend DCR's Annual Park Serve Day, Saturday April 25, 2015 at parks across the Commonwealth of Massachusetts. Online registration is now open for those who wish to register prior to the event.

With the help of volunteers, DCR will spruce up park facilities, clean coastlines, clean and maintain trails, plant flowers, and more! These valuable resources belong to all of us, and we can all take pride in them. Since Park Serve Day began in 2006, tens of thousands of Massachusetts residents have helped to prepare Massachusetts state parks and beaches for the summer recreation season. Please plan to come out and join in on April 25th. It's a great way to celebrate Earth Week.
