**Public Information Meeting
Charles River Basin Connectivity Study**

**Tuesday, December 3, 2013
7:00 p.m. – 8:30 p.m.
Community Rowing Boathouse
20 Nonantum Road, Brighton**

The purpose of this meeting is to provide an overview of the DRAFT Charles River Basin Connectivity Study and to gather final comments.

DCR and MassDOT's design consultant will present the draft study, describing in detail how the study has identified the various gaps that preclude a seamless connection across the ten Charles River Basin bridges and their adjacent intersections and along the path system throughout the Charles River Reservation. Following the presentation, DCR and MassDOT staff will lead a discussion to answer questions and gather public comments.

Prior to the meeting, the DRAFT Charles River Basin Connectivity Study can be reviewed at: www.mass.gov/eea/agencies/dcr/massparks/region-boston/charles-river-basin.html. Please share this notice with others who may be interested in the project.

This location is accessible to people with disabilities. MassDOT provides reasonable accommodations and/or language assistance free of charge upon request (including, but not limited to, interpreters in American Sign Language and languages other than English, open or closed captioning for videos, assistive listening devices and alternate material formats, such as audio tapes, Braille, and large print), as available.

For accommodation or language assistance, please contact MassDOT's Chief Diversity and Civil Rights Officer by phone (857-368-8580), fax (857-368-0602), TTD/TTY (857-368-0603), or by email (MassDOT.CivilRights@dot.state.ma.us). Requests should be made as soon as possible prior to the meeting, and for more difficult to arrange services including sign-language, CART, or language translation or interpretation, requests should be made at least ten (10) business days before the meeting.
