## **Bureau of Forestry Pre-Harvest Forest Tour Myles Standish State Forest, Carver 3:00 – 4:30 PM – November 21, 2013**

DCR Forester Paul Gregory will be leading a tour of a portion of the approximate 500 acre Pine Barrens Timber Sale in Myles Standish State Forest to discuss the removal of the red pine plantations in the state forest, view the result of a similar project completed five years ago, and explain how harvest operations will take place. A detailed silviculture prescription for the harvesting operation will be provided to attendees. The tour culminates a public process that included public meetings and a written comment period on the project.

Meet at the South Regional Headquarters at 194 Cranberry Rd in South Carver. The tour will be conducted rain or shine. Attendees are encouraged to dress for the weather and to wear sturdy shoes.

For additional information about the tour and DCR forest management on state forests, parks, and reservations, please contact William Hill, Management Forestry Program Supervisor, at 413-545-3891.
