Winthrop Beach Restoration – Phase II

Wednesday, November 28, 2012 - 6:30 p.m. – 8 p.m.
E. B. Newton School & Cultural Center
45 Pauline Street, First Floor
Winthrop, MA 02152

At the meeting, DCR will share information about Phase II of the Winthrop Beach Restoration Project, which will include the use of sand from the mound behind the breakwaters known as the Five Sisters to renourish the southern end of the beach.

Phase I of the project, nearing completion, involved the repair of two structures at the southern part of the beach that will play an important role in stabilizing the beach nourishment that will be accomplished in Phase II.

The entire \$17 million, four-phase Winthrop Beach Restoration project is designed to better fortify Winthrop Beach against the full force of northeast storm and natural beach erosion. DCR will be holding additional public meetings on future phases of the project.

The public meeting presentation will be available after the meeting on DCR's website at <http://www.mass.gov/dcr/news/publicmeetings/parklandspast.htm>.

If you have questions about the public meeting, please call 617-626-4974 or email DCR.Updates@state.ma.us.

Please follow us on Twitter at [MassDCR!](#)

Reasonable accommodations for people with disabilities are available upon request by emailing Agatha Summons-McGuire at agatha.summons@state.ma.us or by calling her at 617-626-1282. Please provide Ms. McGuire with a description of the accommodation you will need, including as much detail as you can, as well as information on how she can contact you if more information is needed. Please allow at least two weeks (14 days) advance notice to Ms. McGuire of a need for reasonable accommodations; last-minute requests will be accepted, but may be impossible to fill. To request materials in accessible formats (Braille, large print, electronic files, audio format), please also contact Ms. McGuire.
