This is the third in a series of three public meetings that Massachusetts Department of Conservation and Recreation (DCR) and the Emerald Necklace Conservancy (ENC) are hosting to engage area residents and stakeholders in addressing issues around improved safety and access to the parklands of the Emerald Necklace in Jamaica Plain, while reinforcing the parklands' historic character. At this meeting, DCR and ENC will present and obtain feedback on options for improved safety and accessibility for all users - pedestrians, cyclists, and motorists – on the Arborway, between Eliot Street and South Street, including Kelly Circle and Murray Circle.

Shortly after the public meeting, the presentation will be viewable on DCR's website at <http://www.mass.gov/eea/agencies/dcr/public-outreach/public-meetings/>. Public comments may be submitted through Thursday, November 5, online at <http://www.mass.gov/eea/agencies/dcr/public-outreach/submit-public-comments/> or by writing to the Mass. DCR, Office of Public Outreach, 251 Causeway Street, Suite 600, Boston, MA 02114.
