A photograph of a wooden boardwalk winding through a forest. The boardwalk is made of light-colored wooden planks and is supported by small wooden posts. The ground is covered in fallen brown leaves, and the trees are mostly bare, suggesting an autumn or winter setting. The text is overlaid in white on the image.

A close-up photograph of a person's hands using a yellow and black power drill to secure a wooden deck board. The person is wearing a light blue shirt and a silver watch. The deck is made of light-colored wood, and a black circular vent is visible on the surface. The background shows green foliage and a wooden railing.
