Wachusett and Sudbury Reservoirs
Fishing Regulations**

The Wachusett and Quabbin Reservoirs provide water for 51 cities and towns within the Commonwealth. The Sudbury Reservoir is the system's backup supply. The land surrounding the reservoirs is managed by the DCR Division of Water Supply Protection to protect the quality of the water, enhance ecological integrity, and ensure the future protection of these valuable natural resources from pollution, encroachment, and environmentally damaging public use.

DCR permits SHORE FISHING ONLY at the Wachusett and Sudbury Reservoirs from dawn to dusk. The fishing season at Wachusett Reservoir opens on the FIRST SATURDAY IN APRIL, providing no ice is present, and extends through November 30. Possession of a valid Massachusetts fishing license is required by individuals 15 years of age or older. DCR and its employees are not responsible for any damage to, or loss of life which may be incurred in connection with the public use of the reservoirs.

Wachusett Reservoir fishing access is allowed through the following areas:

- Route 70 – Gates 6 to 16
- Route 140 – Gates 17 to 24
- Route 12/110 – Gates 25 to 35
- West Boylston – Thomas Basin

FISHING IS PROHIBITED FROM ANY OTHER AREAS.

Shore fishing at the Sudbury Reservoir is permitted everywhere except that portion of the reservoir closest to the dam. Prohibited area extends from Route 30 Causeway around past the dam to Clemmons Street.

Fishing at West Waushacum (the Quag), Middle Waushacum and Muddy Ponds in Sterling extends from the first Saturday in April through November 30. ICE FISHING IS NOT PERMITTED. Boats up to 14 feet in length, canoes, and kayaks are permitted at the Waushacum Ponds. From September 15 to May 15, all users must wear a U.S. Coast Guard approved Personal Flotation Device. Only electric outboards may be used.
