AIR QUALITY PLAN APPROVAL

Plan Approval Amendment

Dear Mr. Barnhart:

The Massachusetts Department of Environmental Protection, Western Regional Office ("MassDEP"), issued on November 14, 2013 an Air Quality Plan Approval for the proposed installation of a new 8-color Comexi flexographic printing press at your 33 Myron Street facility in West Springfield, Massachusetts ("Facility"). Provision 1 of Table 5 specifies that annual reports be submitted to MassDEP but does not tell when then reports should be submitted. To clarify this, Provision 1 of Table 5 is hereby modified to read as follows:

Package Printing shall submit annual reports to MassDEP by December 31st of each calendar year documenting that the catalyst efficiency is not degrading. This determination shall be made by testing catalyst activity in accordance with the oxidizer vendor's/Manufacturer's recommendations.

If you have any questions concerning this Plan Approval Amendment, please contact the undersigned by telephone at (413) 755-2115, or in writing at the letterhead address.

Sincerely,

This final document copy is being provided to you electronically by the
Department of Environmental Protection. A signed copy of this document
is on file at the DEP office listed on the letterhead.
