Draft Operating Permit Renewal

Dear Mr. Trueira:

The Department of Environmental Protection (“MassDEP”) has determined that the Operating Permit Application for Peabody Municipal Light Plant, 58 Rear Pulaski Street, located in Peabody, Massachusetts is administratively and technically complete and hereby issues the enclosed Draft Operating Permit Renewal for the subject facility.

This Draft Operating Permit Renewal is being issued in accordance with 310 CMR 7.00 - Appendix C of the Air Pollution Control Regulations (“the Regulations”), as adopted pursuant to M.G.L. c. 111, §§ 142 A through E inclusive.

Public notice of this Draft Operating Permit Renewal will be published by MassDEP in accordance with the requirements of 310 CMR 7.00: Appendix C. As such, the public comment period shall end on May 20, 2013. During that period, a public hearing may be requested pursuant to 310 CMR 7.00: Appendix C(6)(f). You shall be notified under a separate letter if a public hearing has been requested.

Please review the entire Draft Operating Permit Renewal carefully. It lists the applicable Federal and State Air Pollution Control Requirements and what is required of the facility in order for it to be considered in compliance with such applicable requirements. It also includes requirements that were promulgated or approved by the United States Environmental Protection Agency through rule making at the time of issuance but have future effective compliance dates.
