Disclaimer: The data contained in this file is for reference purposes and is subject to change. For more information please contact the municipality about the project(s) of interest.

Municipal Recycling Projects: FY2005 through FY2012

This database lists a subset of the municipal projects conducted by MassDEP between FY2005 and FY2012. Municipalities may request assistance for a specific waste reduction or recycling project through an annual application. MassDEP awards up to 80 hours of technical assistance per project, which is fulfilled by our network of Municipal Assistance Coordinators (MAC). In some cases, direct funding for equipment, materials or personnel costs is provided through a separate grant solicitation.

To find the MAC who serves your community visit:

<http://www.mass.gov/eea/agencies/massdep/recycle/reduce/massdep-municipal-assistance-coordinators.html>

For more information on Technical Assistance please visit:

<http://www.mass.gov/eea/agencies/massdep/recycle/grants/>

MassDEP has an archive of final reports and project deliverables for the projects included in this database. These documents may be helpful to municipalities investigating similar initiatives. To narrow your search to the most relevant projects, use Excel's AutoFilter function (click on the arrows in the column headings).

To request a final report and deliverables associated with a particular project, send an email, with the subject line "Municipal Project Report Request" to Tina Klein. In the body of the email include the fiscal year and the Applicant's Name of the report you'd like.

Tina.Klein@state.ma.us

Key to Column Headings

Applicant Name	Municipality or regional authority receiving assistance
Population	Number of residents
Total Households	Total number of households in community

Massachusetts Department of Environmental Protection

Trash (DO/CS)	Method of trash collection (drop-off, curbside or private subscription)
Fiscal Year	Runs from July 1 - June 30
\$ Amount Awarded	Not all projects receive direct funding; most receive only technical assistance hours.
TA Hours	Number of hours of assistance provided by a MassDEP Municipal Assistance Coordinator
Grant Type	General category of assistance. See Note field for more details about the specific project.
Note	Project Description
