How to use this sheet:

- Fill out the species you are targeting, and the town you are trapping in
- Fill out the dates you are trapping
- Write in the outcome of each day (set, closed, empty) for each trap and if you are successful, fill out what you caught
- Fill out one sheet for each town and for each species
- If you trap fisher in 3 towns and muskrat in 2 towns, you would use 3 sheets for fisher and 2 sheets for muskrat

***Use this log sheet to help you fill out your trapper survey**
