ReBuild Western Massachusetts

Homeowner Incentives for Energy Efficient Repairs and Renovations

ReBuild Western Massachusetts Terms and Conditions

1. Definitions

- a. "DOER" refers to the Massachusetts Department of Energy Resources
- b. "Program" refers to the ReBuild Western MA Energy Efficiency Program
- c. "EEOs" are the energy efficiency opportunities described in the ReBuild Western Massachusetts forms

2. Eligibility

- a. Residents, businesses, and municipals repairing or rebuilding their facility as a result of damage incurred from the June 1, 2011 tornado are eligible to participate. Residents, businesses, and municipals are required to provide documentation verifying the repair or construction is a result of tornado damage.
- b. Participants can participate in only one of the following programs: the Complete ReBuild, Major Renovations, or Repairs Program.
- c. Repairs, construction, and installations must be completed April 30, 2012.
- d. When required by law, repairs, construction, installations, and engineering services must be completed by a licensed contractor.
- e. Residents, businesses, and municipals must send and complete all forms and any other required documentation to the DOER no later than thirty (30) days after install.
- f. All incentive forms in connection with the Program must be received by the DOER by April 20, 2012

3. Installation

- a. Prior to honoring any incentive, the DOER reserves the right to conduct an on-site verification that the EEOs were installed according to Program guidelines and is in operation. This site visit and all aspects related to this site visit, and conducted solely for such purpose. The site visit is not a safety review, nor is it intended for any other purpose.

4. Warranties

- a. The DOER and the Program Administrator do not endorse, guarantee, or warrant any particular engineer, contractor, manufacturer, or installation.

5. Changes to the Program

- a. Program is subject to change without prior notice, and incentive offers may increase or decrease at any time.

6. Tax Liability

- a. Participants of the Program may be subject to tax liability for the values of the goods and services received through the program pursuant state or federal income tax codes.

7. No Tax Liability or the DOER or the Program Administrator

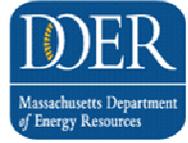

- a. The DOER and the program administrator are not responsible for any tax liability which may be imposed as a result of the receipt of the rebates provided by the DOER to the customer.

8. Liability & Release

ReBuild Western Massachusetts

Homeowner Incentives for Energy Efficient Repairs and Renovations

- a. As part of the consideration for participating in the Program, participant hereby releases and shall indemnify, hold harmless, and defend the DOER and its Program Administrator from any and all claims, losses, harm, costs, liabilities, damages, and expenses (including attorneys' fees) of any nature whatsoever arising directly or indirectly out of or in connection with the installation the EEOs at the premises or any material and labor required for such installation.
