ENERGY EFFICIENCY ADVISORY COUNCIL

NOTICE OF ADDITIONAL MARCH PUBLIC MEETING

The Energy Efficiency Advisory Council (“Council”) established pursuant to section 22 of Chapter 25 of the Massachusetts General Laws will hold a second March meeting. **The Council will hold an additional March meeting on Tuesday, March 31, 2015 at 1:00 pm until 4:00 pm in Conference Rooms C and D on the Second Floor of 100 Cambridge Street, Boston, Massachusetts 02114.**

Among other items, this meeting will discuss the impending Council consultants’ assessment report concerning potentialities, priorities, and opportunities for the next Three Year Energy Efficiency Investment Plans (“EEIPs”) for 2016-2018, as well as the processes the Council will follow en route to the final submission and approval of these plans. It is anticipated that there will be discussions regarding these potential studies that will work in tandem with councilors’ recommendations that arise from the Council’s meetings conducted in a workshop format. These conclusions and recommendations are expected to inform an eventual Council Resolution or document, upon which the voting members of the Council will vote, that provides the Program Administrators with guidance about the content of their first draft for the Third Three-Year Plans for 2016-2018. The Council may also attend to any other general business incidental to the operation of these EEIPs. This notice is provided pursuant to Massachusetts General Laws Chapter 30A, Section 11A ½.
