GREEN COMMUNITY DESIGNATIONS REACH EIGHTY-SIX

| MA Green Communities | Designation Date | Green Community Grant Award | Grant Project Summary  | Region  | Census 2010 Population |
|----------------------|------------------|-----------------------------|--|---------|------------------------|
| Acton                | 05/25/10         | \$150,794                   | to fund energy conservation measures at the library, an HVAC analysis of town hall, tankless hot water heaters, and an energy education outreach program.  | Central | 21,924                 |
| Andover              | 05/25/10         | \$160,329                   | to fund a municipal lighting retrofit project.   | NE      | 33,201                 |
| Arlington            | 05/25/10         | \$200,188                   | to fund energy efficient lighting, replacing steam traps and an energy management system at the Hardy School.  | NE      | 42,844                 |
| Ashfield             | 12/20/11         | \$141,025                   | to fund a feasibility study for a solar PV system, bike racks for high traffic public locations and multiple energy efficiency measures including lighting improvements, tankless water heaters, energy audits at several municipal buildings.   | West    | 1,737                  |
| Athol                | 05/25/10         | \$171,523                   | to fund energy efficiency improvements at the senior center, an HVAC analysis of the town hall and library, and a solar hot water system at the fire station.  | West    | 11,584                 |
| Ayer                 | 07/19/11         | \$151,175                   | to fund energy conservation measures in municipal buildings including steam trap replacements and a new high efficiency gas furnace at the Wastewater Treatment Plant; energy efficient lighting at the Police and Fire Stations, street lamp replacement, and heating system controls at Town Hall.   | Central | 7,427                  |
| Barre                | 12/20/11         | \$143,575                   | for energy audits at several municipal building and multiple energy efficiency projects including lighting upgrades at several buildings along with funding for a program administrator to manage energy projects.   | Central | 5,398                  |
| Becket               | 05/25/10         | \$141,326                   | to fund a two-phased project for two municipal buildings; Town Hall and Town Garage. First, to fund energy audits to identify energy usage and potential energy efficiency measures. Second, to fund implementation of energy conservation measures determined appropriate and cost effective in the two buildings.  | West    | 1,779                  |
| Bedford              | 07/19/11         | \$148,150                   | to fund energy conservation measures at the Department of Public Works and multiple school buildings, including energy efficiency lighting and variable frequency drives on heating circulation pumps.   | NE      | 13,320                 |
| Belchertown          | 05/25/10         | \$160,917                   | to fund the buy-down of an energy management services contract for municipal buildings; specifically implementation cost of a comprehensive direct digital controlled energy management system at Chestnut Hill Elementary School.   | West    | 14,649                 |
| Beverly              | 12/20/11         | \$206,475                   | to fund an energy management system and ventilation and air condition and equipment upgrades at multiple schools.  | NE      | 39,502                 |
| Boston               | 12/16/10         | \$1,000,000                 | to fund the following energy conservation measures: auto igniters for natural gas streetlight, lighting controls at municipal ball fields, and an upgrade of the energy management system for Copley Library and four library branches.  | NE      | 617,594                |
| Bridgewater          | 12/20/11         | \$200,800                   | to fund energy audits as eight municipal buildings and implementation of approved energy conservation measures identified from these audits.   | SE      | 26,563                 |
| Brookline            | 07/19/11         | \$215,050                   | to fund technical services to evaluate the feasibility of a solar PV system for Singletree Reservoir; an LED Street Light Conversion Project; and a building management and employee energy efficiency awareness program.  | NE      | 58,732                 |
| Buckland             | 07/19/11         | \$134,150                   | to fund energy audits to identify energy conservation measures in the Town Hall and Police Station and funds toward implementation of measures identified by the audits.   | West    | 1,902                  |
| Cambridge            | 05/25/10         | \$283,770                   | to fund energy efficiency revolving loan fund.   | NE      | 105,162                |
| Carlisle             | 07/19/11         | \$139,300                   | to fund energy conservation measures at municipal buildings including an energy management system at Town Hall, efficient parking lot lights at Town Hall, the Library and the Carlisle Public Schools; and an energy efficiency education program for residents.  | NE      | 4,852                  |
| Chelmsford           | 05/25/10         | \$187,224                   | to fund a 30 kW PV system at the Parker Middle School.   | NE      | 33,802                 |
| Chesterfield         | 12/20/11         | \$140,000                   | to fund a pilot Clean Energy Fund grant program for residents to implement energy efficiency measures identified in Mass Save audits; an energy efficient boiler and air sealing at the Fire House; furnace replacement, an on-demand water heater, air sealing and exterior door replacement at the Senior Center; and other energy conservation measures and upgrades. | West    | 1,222                  |
| Dedham               | 12/16/10         | \$179,800                   | to fund the installation of a 128.5kW roof-mounted solar PV system at Dedham High School; part of a comprehensive energy-based services contract for measures in schools and municipal facilities.   | NE      | 24,729                 |
| Deerfield            | 07/19/11         | \$142,950                   | to fund energy conservation measures in multiple municipal buildings including energy efficient interior and exterior lighting, variable frequency drives, energy efficient windows, and efficient street lights and controls.   | West    | 5,125                  |

GREEN COMMUNITY DESIGNATIONS REACH EIGHTY-SIX

| MA Green Communities | Designation Date | Green Community Grant Award | Grant Project Summary   | Region  | Census 2010 Population |
|----------------------|------------------|-----------------------------|---|---------|------------------------|
| Easthampton          | 05/25/10         | \$174,985                   | to fund replacement of streetlights with LED technology.  | West    | 16,053                 |
| Easton               | 12/16/10         | \$168,300                   | funding for energy conservation measures in municipal buildings   | SE      | 23,112                 |
| Gardner              | 12/16/10         | \$206,100                   | to fund a solar PV assessment and the following energy conservation measures: energy efficient boiler replacements, insulation, and air sealing and a heating system evaluation at the High School and Senior Center.   | Central | 20,228                 |
| Gloucester           | 12/16/10         | \$198,200                   | to fund energy conservation measures including improvements to the O'Maley Middle School building envelope, demand control ventilation upgrades, and the installation of an energy saving ceiling (Low E) and heat exchanger at the O'Maley Rink  | NE      | 28,789                 |
| Granby               | 07/19/11         | \$144,125                   | to fund a solar hot water system for the police and fire complex; a roof mounted 10 kW solar PV system for the new library; consulting services for assessment of energy audits; and funds toward implementation of energy conservation measures for the junior and senior high school and elementary school identified by audits.  | West    | 6,240                  |
| Greenfield           | 05/25/10         | \$202,066                   | to fund the buy-down of an energy management services contract for municipal buildings, a community energy efficiency program, and consulting services.   | West    | 17,456                 |
| Hamilton             | 05/25/10         | \$144,819                   | to fund the buy-down of an energy management services contract.   | NE      | 7,764                  |
| Hanover              | 05/25/10         | \$148,598                   | to fund the incremental costs of a hybrid public safety command vehicle, energy efficiency measures in municipal buildings, and to support the salary of an energy staff person.  | SE      | 13,879                 |
| Harvard              | 12/16/10         | \$141,200                   | to fund energy conservation measures including; demand control ventilation and mechanical upgrades at the Elementary School, an HVAC upgrade at the Police Station, energy efficient boiler replacement at the Fire Station, and a deep energy retrofit analysis for Town Hall  | Central | 6,520                  |
| Hatfield             | 12/16/10         | \$130,725                   | to fund the following energy conservation measures: insulation and heating system upgrades at the Water Filtration Plant office, installation of a heat recovery system at the Wastewater Treatment Plant, replacement of windows at Town Hall, installation of window quilts at Smith Academy, an energy study for Town Hall to become Energy Star qualified, and purchase of an electric light duty truck for multiple department use | West    | 3,279                  |
| Holland              | 07/19/11         | \$143,250                   | to fund energy audits to identify potential energy conservation measures in the Elementary School and the Fire/Police Garage and funds toward implementation of measures identified by the audits.  | West    | 2,481                  |
| Holyoke              | 05/25/10         | \$321,221                   | to fund energy efficient school, traffic and street lights and to insulate City Hall.   | West    | 39,880                 |
| Hopkinton            | 05/25/10         | \$137,502                   | to fund various municipal building energy efficiency programs.  | Central | 14,925                 |
| Kingston             | 05/25/10         | \$163,528                   | to fund various energy efficiency measures in municipal buildings and an idle right fuel management system for police vehicles.   | SE      | 12,629                 |
| Lancaster            | 05/25/10         | \$141,114                   | to fund various energy efficiency measures, a solar PV project and an energy analysis of town hall.   | Central | 8,055                  |
| Lenox                | 05/25/10         | \$134,766                   | to fund an upgrade to the HVAC systems in schools, building efficiency training, consulting services for a solar project, community wind forums, and a solar initiative that will provide mini-grants for solar and hot water systems on commercial and residential properties.   | West    | 5,025                  |
| Lexington            | 05/25/10         | \$158,083                   | to fund the buy-down of a street lighting project   | NE      | 31,394                 |
| Leverett             | 12/20/11         | \$138,750                   | to fund a solar PV roof-mounted system at the Public Safety Complex and energy efficient lighting upgrades at the Town Hall, Library, and the Public Safety Complex.  | West    | 1,851                  |
| Lincoln              | 05/25/10         | \$140,294                   | to fund building energy efficiency measures in school and town buildings.   | NE      | 6,362                  |
| Lowell               | 05/25/10         | \$546,506                   | to fund residential and commercial retrofit grant programs and to buy-down the cost of an energy management services contract.  | NE      | 106,519                |
| Marlborough          | 12/16/10         | \$217,125                   | to fund energy conservation measures at several municipal buildings; the incremental costs to purchase a hybrid vehicle, a site evaluation for a solar PV system, and to fund an Energy Efficiency Manager position   | Central | 38,499                 |
| Mashpee              | 05/25/10         | \$170,124                   | to fund energy efficiency measures in municipal buildings and hire an engineering firm.   | SE      | 14,006                 |
| Maynard              | 12/20/11         | \$160,025                   | to fund several energy efficiency projects at the Green Meadow School and the Fowler Middle School including an   | Central | 10,106                 |
| Medford              | 05/25/10         | \$271,651                   | to fund energy efficiency measures in school buildings and to update the municipal climate action plan.   | NE      | 56,173                 |

GREEN COMMUNITY DESIGNATIONS REACH EIGHTY-SIX

| MA Green Communities | Designation Date | Green Community Grant Award | Grant Project Summary  | Region  | Census 2010 Population |
|----------------------|------------------|-----------------------------|--|---------|------------------------|
| Medway               | 12/16/10         | \$158,450                   | to fund energy conservation measures and energy audits at several town buildings including; LED lighting replacements, anti-idling devices on all town vehicles, and window replacements.  | Central | 12,752                 |
| Melrose              | 05/25/10         | \$176,265                   | to fund an energy efficient roof at Melrose high School, energy consulting services, LED post-top streetlight retrofits, and to support the salary of an energy efficiency coordinator.  | NE      | 26,983                 |
| Mendon               | 07/19/11         | \$145,925                   | to fund a multi-phased project for municipal buildings; Town Hall, Library, Police Station, Fire Station, Highway Building, and Senior Center. First, to fund an energy program manager position and energy audits for all six buildings. Second, to fund implementation of energy conservation / efficiency measures including; new lighting in four buildings and a high-efficiency furnace in the library, and other energy conservation measures determined appropriate and cost effective in the six buildings. | Central | 5,839                  |
| Middlefield          | 07/19/11         | \$138,025                   | to fund energy conservation measures in multiple municipal buildings including insulation, efficient hot water heaters and furnaces, efficient windows and doors and a 9.6 kW Solar PV System on Town Hall.  | West    | 521                    |
| Millbury             | 07/19/11         | \$167,025                   | to fund energy conservation measures in multiple municipal buildings including occupancy sensors, retro-commissioning, energy efficient lighting, vending misers, energy efficient exterior lighting, and controls and efficient motors for kitchen system operations.   | Central | 13,261                 |
| Milton               | 12/16/10         | \$157,100                   | to fund energy conservation measures at several municipal buildings and funding towards the installation of a wind turbine on municipal land   | NE      | 27,003                 |
| Monson               | 07/19/11         | \$165,975                   | to fund an energy management system for the Quarry Hill Elementary School and the incremental costs to purchase an energy efficient vehicle for the Senior Center.   | West    | 8,560                  |
| Montague             | 05/25/10         | \$154,944                   | to buy down the cost of a performance contract on eight municipal buildings.   | West    | 8,437                  |
| Natick               | 05/25/10         | \$173,526                   | to fund a solar PV power purchase agreement at the middle school, the incremental cost of a hybrid vehicle, and for carbon dioxide sensors at town hall.   | NE      | 33,006                 |
| New Salem            | 12/16/10         | \$138,100                   | to fund the installation of a 20kW solar PV system on town-owned land.   | West    | 990                    |
| Newburyport          | 12/16/10         | \$155,000                   | to fund the following energy conservation measures at the Police Station and City Hall; air sealing, modification of HVAC system, lighting replacement, and other mechanical system improvements   | NE      | 17,416                 |
| Newton               | 05/25/10         | \$179,500                   | to leverage with other funding to do energy efficiency measures at the Lower Falls Community Center as part of an energy management services contract.   | NE      | 85,146                 |
| Northampton          | 05/25/10         | \$198,500                   | to fund a 51 kW Solar PV project on the vocational and agricultural high school.   | West    | 28,549                 |
| Palmer               | 05/25/10         | \$169,103                   | to fund energy conservation measures at Town Hall; a boiler and chiller replacements   | West    | 12,140                 |
| Pittsfield           | 05/25/10         | \$256,632                   | to fund installation of an energy management system and replace 53 unit heaters at City Hall.  | West    | 44,737                 |
| Provincetown         | 12/20/11         | \$143,600                   | for an energy efficient heating system replacement at Veteran's Memorial School.   | SE      | 2,964                  |
| Quincy               | 12/20/11         | \$370,325                   | for energy efficient LED streetlights.   | NE      | 92,271                 |
| Revere               | 07/19/11         | \$366,600                   | to fund energy conservation measures in City Hall, the Senior Center, and the Youth Center including energy management systems, steam trap upgrades, computer management systems, pipe and attic insulation, lighting retrofits, weather sealing, and controls on vending machines.  | NE      | 51,755                 |
| Rowe                 | 12/20/11         | \$135,725                   | to fund energy education and outreach workshops for residents; a feasibility study for the development of a residential home energy incentive program; a solar PV roof-mounted system on Department of Public Works Building; installation of efficient water heaters and window quilts at municipal buildings; exterior light upgrades at the Fire Station; and other energy conservation measures and energy upgrades.   | West    | 393                    |
| Salem                | 05/25/10         | \$245,624                   | to fund LED streetlights, buy-down of an energy managements services contract, a home energy efficiency pilot program, and a bike sharing pilot program.   | NE      | 41,340                 |
| Scituate             | 12/16/10         | \$163,025                   | to fund the following energy conservation measures: installation of high efficiency soft foam insulation in the roof of Town Hall, installation of insulation and weatherization in the attic of Widow's Walk Club House, and installation of a gas-fired VAV rooftop unit for heating and cooling in Town Hall  | SE      | 18,133                 |

GREEN COMMUNITY DESIGNATIONS REACH EIGHTY-SIX

| MA Green Communities | Designation Date | Green Community Grant Award | Grant Project Summary   | Region  | Census 2010 Population |
|----------------------|------------------|-----------------------------|---|---------|------------------------|
| Sherborn             | 07/19/11         | \$137,450                   | to fund energy conservation measures at multiple municipal buildings including energy efficient lighting in the Fire Station, Police Station, Town Hall, and the Pine Hill School; heating and ventilation efficiency upgrades in the Fire Station and Pine Hill School; an energy efficient boiler for the Library; and anti-idling devices for municipal vehicles.      | NE      | 4,119                  |
| Shirley              | 12/20/11         | \$152,975                   | to fund administrative support for a performance contract and the installation of idle reduction units in municipal vehicles.   | Central | 7,211                  |
| Shutesbury           | 07/19/11         | \$142,275                   | to fund energy conservation measures in multiple municipal buildings including heating ventilation and air conditioning and hot water systems efficiency upgrades, energy efficient lighting, air sealing, and a 10 -15 kW pole-mounted Solar PV system at the Fire Station.  | West    | 1,771                  |
| Somerville           | 07/19/11         | \$362,175                   | to fund LED street lights.  | NE      | 75,754                 |
| Springfield          | 05/25/10         | \$988,102                   | to fund energy efficient boilers and vending machines and for five energy management systems. Amendment to include Deberry Elementary.  | West    | 153,060                |
| Sudbury              | 05/25/10         | \$136,238                   | to fund energy efficiency measures in municipal buildings and the incremental cost of a fuel efficient vehicle.   | NE      | 17,659                 |
| Sutton               | 07/19/11         | \$143,050                   | to fund energy conservation measures including installation of a heat recovery system at the Municipal Complex and energy efficient parking lot lighting; energy audits of the Wastewater Treatment Plant, Sutton Senior Center and Fire Stations and funds toward implementation of measures identified; and a hydro feasibility study of the Stevens and Manchaug Dams. | Central | 8,963                  |
| Swampscott           | 12/16/10         | \$143,800                   | to fund the following energy conservation measures: high efficiency lighting retrofits and automatic lighting controls in the middle and high school, steam trap replacement in the elementary schools, and funding for a part-time Energy Manager  | NE      | 13,787                 |
| Tewksbury            | 07/19/11         | \$207,725                   | to fund energy conservation measures in multiple municipal buildings including building retro-commissioning of the Police Station, Center and South Fire Stations, and the Wynn, Ryan, Heath Brook and Trahan schools; energy efficient lighting at the Dewing School; and ventilation upgrades at the Police Station.  | NE      | 28,961                 |
| Topsfield            | 07/19/11         | \$132,975                   | to fund energy audits and energy conservation measures in the Proctor and Steward elementary schools and several municipal buildings including indoor and outdoor lighting upgrades, and weatherization.  | Central | 6,085                  |
| Truro                | 07/19/11         | \$141,200                   | to fund energy conservation measures and energy audits at multiple municipal buildings including insulation, heating system upgrades, hot water system upgrades, and anti-idling devices for police cruisers.   | SE      | 2,003                  |
| Tyngsborough         | 05/25/10         | \$161,649                   | to fund building envelope improvements in municipal buildings.  | NE      | 11,292                 |
| Watertown            | 12/16/10         | \$192,825                   | to fund high efficiency light replacements of street and parking lot lighting   | NE      | 31,915                 |
| Wayland              | 12/16/10         | \$131,775                   | to fund the following energy conservation measures at municipal and school buildings: retro commissioning in the middle school, lighting upgrades in the middle and elementary schools, and design of an energy retrofit to improve energy efficiency in Town Hall  | NE      | 12,994                 |
| Wenham               | 05/25/10         | \$138,974                   | to fund the buy-down of an energy management services company contract.   | NE      | 4,875                  |
| Weston               | 12/20/11         | \$138,675                   | to fund multiple energy efficiency measures in municipal buildings.   | NE      | 11,261                 |
| Williamstown         | 12/16/10         | \$142,000                   | to fund energy conservation measures at several municipal buildings, installation of a 6 kW solar PV array at the Cemetery office building, and to fund an energy education and outreach program  | West    | 7,754                  |
| Winchester           | 12/16/10         | \$151,475                   | to fund an Energy Conservation Coordinator position and the following energy conservation measures; retro-commissioning of the HVAC system and addition of variable frequency drives (VFDs) on Heat Pumps at McCall Middle School.  | NE      | 21,374                 |
| Woburn               | 07/19/11         | \$231,925                   | to fund energy efficient lighting and lighting controls at the Police Station and Middle School; and LED street lights.   | NE      | 38,120                 |
| Worcester            | 05/25/10         | \$852,083                   | to fund an energy retrofit grant program for residents undertaking home renovation projects under the newly adopted stretch code and for a community energy education and outreach campaign.  | Central | 181,045                |
| <b>86</b>            |                  | <b>\$17,689,893</b>         |   |         | <b>2,736,472</b>       |
|                      |                  |                             |   |         | <b>41.8%</b>           |
