Tuesday, June 6	VFC Compliance/Vaccine Storage and Handling
Thursday, June 8	Epidemiology of Vaccine-Preventable Diseases
Tuesday, June 13	Massachusetts Immunization Information System (MIIS) Update
Thursday, June 15	Immunization Schedule Updates

## The Massachusetts Department of Public Health Immunization Program is pleased to announce the 2017 Immunization Updates

Conference topics will include:

- Current trends in the epidemiology of vaccine preventable diseases
- VFC compliance/vaccine storage and handling (meets the annual VFC training requirement)
- Updates to the 2017 childhood and adult immunization schedules
- MIIS updates including defining ways to improve data quality
- Addressing vaccine confidence
- School immunization data
- and more...

**Registration for the Immunization Updates will open in early April**

All Immunization Update programs are scheduled from 8:30 a.m. - 12:00 p.m. with the exception of the webinars that will start at noon. Registration starts at 8:00 a.m. for the In-Person Sessions.
