TEMPERATURE SCALE CONVERSION CHART

Shaded areas correspond to acceptable operating temperatures for your refrigerator and freezer.

Please be sure that the temperatures you record are within these ranges:

- **2-8 °C or 35-46 °F** for Refrigerators
- **-15 °C or 5 °F or colder** for Freezers

**Refrigerator Range**
(2-8 °C or 35-46° F)

If not, please contact your Regional Immunization Office or call (617) 983-6828 for guidance.

**Freezer Range**
(-15 °C or 5 °F or colder)

Don’t forget to record temperatures 2X daily!
