

Prevention and Wellness Advisory Board Draft Agenda

Department of Public Health ~ Public Health Council Room
Thursday, September 10, 2015
1:00pm – 3:00pm

Objectives for this meeting:

- Advisory Board members will understand status of PWTF Worksite Wellness Initiatives and become aware of the controversy surrounding the use of incentives in worksite wellness programs.
- Advisory Board members will learn about the work of two partnerships
- Advisory Board members will hear from the Evaluation Subcommittee and engage in a discussion with Harvard Catalyst about the evaluation
- Advisory Board members will be updated on work of Sustainability Committee and infrastructure changes at MDPH
