Mobile Dental Facility (MDF) - Permit M – Dentist
(See 234 CMR 7.00 Effective February 20, 2011)

Application Information and Instructions

Definition: An MDF is any self-contained facility where dentistry is practiced which may be driven, moved, towed or transported from one location to another.

Exemptions: A qualified licensee may provide dental services through the use of dental instruments and materials taken out of a dental office without an MDF permit if:

(a) The service is provided as emergency treatment;
(b) A patient of record is homebound;
(c) The services rendered are limited to dental screening only; or
(d) The services are provided:
   (1) By a hospital or clinic licensed pursuant to M.G.L.c.111, §51-56;
   (2) In a school setting approved by the Commission on Dental Accreditation of the American Dental Association; or
   (3) By a local or state government agency pursuant to M.G.L.c.112, §51.

Application. The Board may issue a permit to operate a MDF to a qualified dentist who holds a valid license issued pursuant to M.G. L. c. 112, § 45, provided the applicant is of good moral character, has met all of the eligibility requirements, and has submitted a complete, accurate and signed application on forms specified by the Board for that purpose.

A check or money order for $180 payable to the Commonwealth of Massachusetts must accompany the application.

Anesthesia and Sedation: All requirements pertaining to the administration of anesthesia and sedation in 234 CMR 6.00 must be fulfilled and valid permits obtained from the Board, as applicable.

On-Site Inspection. The Board may require an on-site inspection of the MDF prior to the issuance of a permit.
