

3. The Licensee agrees to **SUSPENSION** of her nursing license for an indefinite period, commencing with the date on which the Board signs this Agreement (Effective Date).
4. After the Effective Date of this Agreement and when the Licensee can complete to the satisfaction of the Board all of the requirements set forth in this Paragraph the Licensee may petition the Board for reinstatement of her license. The petition must be in writing and must include the following documentation of the Licensee's ability to practice nursing in a safe and competent manner, all to the Board's satisfaction:
 - a. Evidence of completion of all continuing education required by Board regulations for the two (2) renewal cycles immediately preceding the date on which the Licensee submits her petition ("petition date");
 - b. A performance evaluation sent directly to the Board from each of the Licensee's employers, prepared on official letterhead that reviews the Licensee's attendance, general reliability, and specific job performance during the year immediately prior to the petition date².
 - c. Written verification sent directly to the Board from each of the Licensee's medical care providers, which meets the requirements set forth in Attachment B 1;
 - d. Authorization for the Board to obtain a Criminal Offender Record Information (CORI) report of the Licensee conducted by the Massachusetts Department of Criminal Justice Information Services.
 - e. Documentation that the Licensee has completed, at least one (1) year prior to the petition date, all requirements imposed upon her in connection with all criminal and/or administrative matter(s) arising from, or related to, the conduct identified in Paragraph 2³. Such documentation shall be certified and sent directly to the Board by the appropriate court or administrative body and shall include a description of the requirements and the disposition of each matter.
 - f. Certified documentation from the state board of nursing of each jurisdiction in which the Licensee has ever been licensed to practice as a nurse, sent directly to the Massachusetts Board identifying her license status and discipline history, and verifying that her nursing license is, or is eligible to be, in good standing and free of any restrictions or conditions.

² If the Licensee has not been employed during the year immediately prior to the petition date, she shall submit an affidavit to the Board so attesting.

³ If there have been no criminal or administrative matters against the Licensee arising from or in any way related to the conduct identified in Paragraph 2, the Licensee shall submit an affidavit so attesting.

5. In addition to the items identified in Paragraph 4, the Licensee shall submit the following documentation all to the Board's satisfaction:
- a. Documentation from the Board's Drug Treatment Management Company that the Licensee has signed a contract to submit to random supervised urine tests for substances of abuse to be sent directly to the Board and collected from the Licensee according to the conditions and procedures outlined in Attachment A, no less than fifteen (15) times per year immediately preceding the petition date. All such results are required to be negative.
 - b. Documentation that the Licensee has obtained a sponsor and has regularly attending Alcoholics Anonymous (AA) and/or Narcotics Anonymous (NA) meetings, including the number of meetings a week and the location, immediately preceding the petition date. This documentation must include a letter of support from the Licensee's sponsor and signatures verifying her attendance at meetings.
 - c. Documentation prepared within thirty (30) days of the petition date and sent directly to the Board from a licensed mental health provider verifying that the Licensee has regularly attended group or individual counseling or therapy, or both, conducted by the mental health provider. Such documentation shall specify the frequency and length of the therapy and/or counseling and shall include a summary of the Licensee's progress in therapy and specific treatment recommendations for the Licensee's sustained recovery from substance abuse, dependency and addiction, including that the mental health provider has reviewed Dr. Michael McGee's addiction evaluation.
6. The Board may choose to reinstate the Licensee's license if the Board determines that reinstatement is in the best interests of the public health, safety and welfare. Any reinstatement of the Licensee's license may be conditioned upon the Licensee entering into a consent agreement for the PROBATION of her license for a duration, and including requirements that the Board determines at the time of relicensure to be reasonably necessary in the best interests of the public health, safety and welfare, taking into account the Board's deliberation and vote on this matter on September 9, 2015.
7. The Licensee agrees that she will not practice as a Registered Nurse in Massachusetts from the Effective Date unless and until the Board reinstates her license⁴.

⁴ The Licensee understands that practice as a Registered Nurse includes, but is not limited to, seeking and/or accepting a paid or voluntary position as a Registered Nurse, or a paid or voluntary position requiring that the applicant hold a current Registered Nurse license. The Licensee further understands that if she accepts a voluntary or paid position as a Registered Nurse, or engages in any practice of nursing after the Effective Date and before the Board formally reinstates her license, evidence of such practice shall be
