Please read these instructions carefully. All supporting materials must be submitted at the same time. Applications will not be reviewed by the Board until all documentation has been received.

General Information About the Application Process:

The Board of Registration of Physician Assistants (“Board”) highly recommends that you refrain from accepting a Physician Assistant position in Massachusetts until you are licensed.

Once an application is received by the Board, it takes a minimum of 3-5 weeks to review the completed application and determine if any additional information is required. Once complete, applications are processed for the issuance of a license in the order received. Every effort is made to process license applications in a timely manner; however, the Board is unable to expedite the processing of applications.

To facilitate the processing of your application, please ensure that you provide all the information requested. DO NOT LEAVE BLANKS. If you are unable to provide the requested information, attach a separate sheet with an explanation. Missing information will delay the processing of your application.

As an applicant, it is your responsibility to ensure that ALL supporting documentation for licensure is sent directly to the Board and to check with the Board on the status of your application.

All requested information must be provided; failure to provide requested information may result in a delay in processing of application. Incomplete applications will be returned to applicant.

Complete applications must include the following documents:

☐ Completed application form, signed and dated by the applicant and notarized.

☐ 2x2 passport style color photo; white or off-white background; copies and printer generated photos are not acceptable.

☐ Signed and notarized Criminal Offender Record Information (CORI) Acknowledgement Form obtained from the Board’s website.
Check or money order payable to the Commonwealth of Massachusetts for $225.00; cash or foreign currency is not accepted.

**NOTE:** If you hold a Temporary Practice Certificate, you must pay this fee in addition to the fee previously paid for your Temporary Practice Certificate.

Official transcripts in signed, sealed envelopes from physician assistant programs/degrees with proof of a bachelor's degree or higher. When requesting official transcripts, please inform each school's registrar that the transcript must be complete and indicate the degree and date conferred in mm/dd/yyyy format.

**NOTE:** If transcripts have been previously submitted with an application for a Temporary Practice Certificate, they do not need to be resubmitted, if they were submitted within the past 12 months.

NCCPA documentation of certification is required. This must be sent directly from NCCPA; email verifications are not acceptable. A form to request NCCPA verification is included in the application packet.

An official Physician Assistant Information Profile from the Federation of State Medical Boards' Federation Credentials Verification Service (FCVS) may be submitted in lieu of transcripts and NCCPA documentation. If you are registered with FCVS and are using this service for your application, please inform the Board. For more information about the FCVS Profile, visit the FCVS web site at .fsmb.

Verification of licensure status, in signed, sealed envelopes, from any state or jurisdiction in which you now or have ever held any professional license or board certification. Verifications must be sent directly to the Board by the state or other jurisdictions.

**NOTE:** If verifications have been previously submitted with an application for a temporary practice certificate, they do not need to be resubmitted if they were issued within the past 12 months.

If you hold, or have ever held, any professional license or certification, you must request a National Practitioner Data Bank-Healthcare Integrity and Protection Data Bank Self-Query and submit the Original report in a signed and sealed envelope with this application. To request a Self Query, please contact the National Practitioner Data Bank at 1-800-767-6732 or .//www.npdb.hrsa.gov/. Keep a copy for your records.

**NOTE A:** If you do NOT hold and have never held any professional licenses in any other state, you do not need to submit a National Practitioner Data Bank self-query.

**NOTE B:** If a National Practitioner Data Bank self-query was submitted with an application for a temporary practice certificate, it does not need to be submitted with an application for full licensure if it was submitted within the past 12 months.

Submission of completed application and fee acknowledges that the applicant understands and agrees to all provisions herein. Applications are void if requirements for physician assistant licensure are not met within one (1) year from the date of Board receipt of this application. All fees are non-refundable and non-transferable.
☐ Application must be submitted on single-sided paper.

☐ Retain a copy of the completed application for licensure for your records. The Board is not able to provide copies of the application. Employers may require that you provide them with a copy.

☐ All submissions and documentation for agenda items must be received by the Board at the close of business on the Monday of the week preceding the scheduled Board meeting. Materials received after the deadline will be reviewed prior to being placed on the agenda for the next scheduled meeting.

*A Supervising Physician form with a MA Board of Registration in Medicine Physician Profile and Work Setting Information form must be on file with the Board within thirty (30) days of beginning employment. Physician Profiles are available online at massmedboard.org. Your license may be issued without these forms.

   NOTE A: If there has been no change in supervising physician[s] and/or work setting[s] since a Temporary Practice Certificate was issued, new forms do not need to be resubmitted.

   NOTE B: Multiple supervising physicians and work settings require submission of separate forms for each supervising physician and each work setting.

IMPORTANT INFORMATION:

Pursuant to 263 CMR 3.03 (4), Board regulations state that a physician assistant applicant/registrant must notify the Board in writing of any of the following events within thirty (30) days of their occurrence: change of address of applicant/registrant; change of identity of the applicant/registrant’s employer or employment status of the applicant/registrant; any change in the identity or address of the registered physician supervising the practice of the applicant/registrant; or, the permanent departure of the applicant/registrant from the Commonwealth of Massachusetts.

Failure to update your address may result in failure to receive a license renewal application and expiration of your license. The address of record is where the Board mails your license and any correspondence.

The address printed on your license is a PUBLIC RECORD that is available to anyone who requests it. If you are using your home address, you may wish to consider changing this to an office address. Address changes may be done online at the board’s website mass.gov/dph/boards/ or you may obtain a form online to submit to the Board’s office.

Answers to many questions may be found on the Board’s website. Statutes and regulations governing physician assistant licensure and practice may be found on the website; they are also available for purchase from the State House Bookstore, Massachusetts State House, Room 116, Boston, MA 02108, 617-727-2834.

For further information, please contact the Board office at 1-800-414-0168 or 617-973-0806.

FEDERATION CREDENTIALS VERIFICATION SERVICE
(FCVS)

Federation Credentials Verification Service (FCVS) was established in September 1996 to provide a centralized, uniform process for state medical boards to obtain a verified, primary source record of a physician's core medical credentials.

This service is designed to lighten the workload of credentialing staff and reduce duplication of effort by gathering, verifying and permanently storing the physician's and/or physician assistant's credentials in a central repository at the Federation of State Medical Board’s offices.

FCVS obtains primary source verification of medical education, postgraduate training, examination history, board action history, board certification and identity. This repository of information allows a physician and/or physician assistant to establish a confidential, lifetime professional portfolio with FCVS which can be forwarded, at the physician's request, to any state medical board that has established an agreement with FCVS, hospital, health care or any other entity.

FCVS Physician Assistant

Applicants who complete the verification process establish a permanent, lifetime portfolio of primary-source verified credentials-allowing quick, easy and inexpensive access to medical credentials. These documents can be used throughout the applicant's career for state licensure, hospital privileges, employment and professional memberships.
