

Attention Pharmacists!

The MA Prescription Monitoring Program (MA PMP) is launching the new online PMP: Massachusetts Prescription Awareness Tool (MassPAT)!

**Are you registered? Online registration for MassPAT began July 14!
MassPAT will be open for prescription data searches beginning August 22!**

Continue using the existing online PMP for your patient searches (MA Online PMP available via the Virtual Gateway) through August 21, 2016.

1. Create an Account:

- a. Register for MassPAT today! Note: you will not be able to conduct patient searches until August 22.
- b. Follow this link to access MassPAT: www.mass.gov/dph/masspat and click **“Create an Account”** to begin your registration. **Please complete the registration process in one sitting.** Before beginning the registration process, please be sure to have the following information available:
 - Massachusetts Board of Pharmacy Number. **Please enter your entire Board of Pharmacy Number (i.e. PH1234)**
 - Drug Enforcement Administration (DEA) number of your Pharmacy(ies).

2. Enter Username:

- a. Create an account by entering your professional email address as your username. The email address you choose for your username will be used by the PMP for communication purposes and to link with the delegate, resident, and intern account(s) that you approve. If you do not have a professional email address, please use an email address you use frequently.

3. Authenticate your Username: You will receive an email asking you to authenticate your email address/username. Don't forget to check your spam box!

4. “Pended” Registration:

- a. If any of the credentials you entered do not match what is on file, your account will be pended.

5. “Rejected” Registration:

- a. You will receive an email if your registration is rejected. Your account may be rejected if required credentials are missing or incorrect.
- b. If you receive a rejection email, please follow the instructions to start the account creation process over (Step 1 above).

6. Accessing MassPAT: Once your registration is approved, you will have access to your MassPAT dashboard. **Please note: You will not be able to conduct patient searches in MassPAT until August 22, 2016.**

7. Help Desk: If you have any questions, please contact the helpdesk (available 24/7): 1-855-562-4767.

Delegates & Residents will not be able to create an account until you, the primary account holder, have created an account. The PMP will send further instructions for Delegate & Residents registration on August 1.
