

ABAWD Work Program –Waived Areas

The statewide waiver that temporarily suspended the ABAWD Work Program Requirement expired on December 31, 2015.

Certain clients continue to be exempted from the ABAWD Work Program (WP) requirement because they reside in areas of the state that have unemployment rates of over 10 percent or that do not have a sufficient number of jobs to provide employment for the individuals.

ABAWDs living in the following areas are not subject to the ABAWD WP Requirement for the period of January 1, 2017 and December 31, 2017:
