Transportation Policy Clarification

The following information should be communicated immediately to all service locations and appropriate staff members within your organization.

Transportation Policy: Pre-Employment Transportation

CIES Providers are reminded that transportation benefits are still available as a support service for clients to get to and from ESP activities. Transportation benefits can also be approved for one month *before* the start of the activity for the time period the person may need transportation to get to that activity during the first month.

Provider Procedure: If you have an eligible client who is unable to access transportation benefits, please contact your ESP Contract Manager.
