**114.3 CMR 10.00: Adult Day Health Services  
Effective November 1, 2008**

**Revisions to Cost Report Due Dates**

The Division of Health Care Finance and Policy has changed the due dates for cost reports filed by Adult Day Health Providers. It has established two different reporting timelines based upon the end of a Provider's fiscal year.

If a Provider's fiscal year ends between July 1 and December 31, it must file both its on-line (INET) cost report and a hard copy of its accompanying financial statements by March 1 each year.

If a Provider's fiscal year ends between January 1 and June 30, it must file its cost report and financial statements by September 1 each year.
