**ADMINISTRATIVE BULLETIN 12-17**

**114.6 CMR 13.00: Health Safety Net Eligible Services**

**Billing Deadlines during Transition to MassHealth MMIS System Processing of  
Health Safety Net Medical and Professional Claims**

**June 7, 2012**

This bulletin notifies providers about billing deadlines in effect during the transition of Health Safety Net (HSN) medical and professional claims processing to the MassHealth MMIS system. As required by c. 68 of the Acts of 2011, Line Item 4100-0060, the MassHealth MMIS system will begin processing HSN medical and professional claims in July 2012. The HSN will not process medical and professional claims submitted after April 30, 2012.

Billing deadlines will be waived for medical and professional claims submitted from July through December 2012 with dates of service of February 1, 2012 or later in order to accommodate any interruptions in claims processing during the transition period.

114.6 CMR 13.00 will be amended prior to January 1, 2013 to establish new billing deadlines for claims submitted after December 31, 2012.
