Instructions

This form is being sent to you because you recently completed an application for certain state health plans such as MassHealth and listed one or more children in your household, without listing two custodial parents. This indicates that the child(ren) may have a noncustodial parent. A noncustodial parent is a parent who does not live with his or her child.

This form must be filled out and signed by the custodial parent or legal guardian of the children listed on the application for health care coverage. You must provide the requested information for each child who has a noncustodial parent.

To get MassHealth, you agree to cooperate with MassHealth and the Child Support Enforcement Division of the Massachusetts Department of Revenue (DOR) in collecting medical support from noncustodial parents. This means that you must fill out this form to help us identify the noncustodial parent who has to pay for medical care for you and your children. Cooperation also means that you may have to, among other things,

- appear at a state or local office to provide relevant information;
- appear as a witness at a court or other proceeding;
- provide information under penalty of perjury, including information about the identity, location, and employment of a noncustodial parent;
- pay to MassHealth any support or medical care funds received that are covered by the assignment of rights; and
- take any other reasonable steps to assist in establishing paternity, securing medical support and payments, and identifying and providing information to help us pursue liable third parties.

Your eligibility could be affected if you do not fill out this form in its entirety and do not meet the exceptions described below.

Please fax or mail to

Health Insurance Processing Center
P.O. Box 4405
Taunton, MA 02780
Fax: 1-857-323-8300

Important

MassHealth will not deny or terminate your child’s MassHealth benefits if you do not cooperate, but your eligibility may be impacted. Even if you are not required to establish paternity, paternity establishment may result in financial benefits for the child, such as Social Security dependents’ benefits, pension benefits, veterans benefits, and possible rights of inheritance. You can ask for child-support-enforcement services if you want help getting the noncustodial parent to pay for health insurance or child support for the child. To do this, call DOR at 1-800-332-2733, or go to www.mass.gov/dor and click on Child Support. The child’s MassHealth benefits will not be affected if you choose to ask for these services or not. If you ask for these services, you will have to cooperate with DOR.
