

# **Changes to HTS Developers' Guide**

**May 2009**

## The following changes have been made to the HTS Developers' Guide.

Document Modifications			
Date	Change	Section / Page	Description of Change
06/08	1	N/A	Production version issued.
08/08	1	2.8.3	Added Section 2.8.3 'Valid <presentTxnType> Entries for Other file types' The XML element <presentTxnType> can appear only in the <batch-info> SOAP header, and must contain one of the valid values listed in Sections 2.8.1 and 2.8.2 or 2.8.3.
05/09	1	2.6.3	Added Section 2.6.3 'Get Data Messaging' The Get Data message is used to retrieve files.
	2	Appendix B	Revised 'transactionTypeInTestMode' to ensure the value is always set to 'false'.
