RE: Restrictions for Non-resident Temporary License to Carry Firearms

Dear Applicant:

The Firearms Records Bureau (FRB) may apply certain restrictions on a non-resident temporary license to carry firearms. These restrictions detail the terms and conditions that govern the possession of a firearm under the license pursuant to G.L. c. 140, §131F.

The following restrictions may be applied to a non-resident temporary license to carry firearms:

NONE – the LTC is issued for all lawful purposes with no restrictions. Applicant must show good reason to fear injury to his person or property.

EMPLOYMENT – restricts possession to business owner engaged in business activities or to an employee while engaged in work related activities, and maintaining proficiency, where the employer requires carry of a firearm (i.e. armored car, security guard, etc.). Includes travel to and from activity location.

TARGET & HUNTING – restricts possession to the purpose of lawful recreational shooting or competition; for use in the lawful pursuit of game animals and birds; for personal protection in the home; and for the purpose of collecting (other than machine guns). Includes travel to and from activity location

SPORTING – restricts possession to the purpose of lawful recreational shooting or competition; for use in the lawful pursuit of game animals and birds; for personal protection in the home; for the purpose of collecting (other than machine guns); and for outdoor recreational activities such as hiking, camping, cross country skiing, or similar activities. Includes travel to and from activity location.

NO CARRY OUTSIDE RESTRICTION – allows possession of a firearm in MA provided the firearm is unloaded and locked in a container; licensee may possess and use firearm during restricted activity (employment, target, hunting, sporting) and during travel to and from activity location.

Restrictions are based upon the information provided in the license application. Please ensure that you provide a detailed reason for requesting the issuance of a license in Massachusetts. Include information regarding how and where you intend to possess or use a firearm and your knowledge and training in Massachusetts firearms laws.

If you have any further questions please feel free to contact the FRB at (617) 660-4782.
