**In addition to the above general policies and procedures, the municipality/agency must also adhere to the following specific policies:**

1. Prior to taking fingerprints, the agency MUST advise the applicant that the prints will be forwarded to the State and FBI for state and national background checks and may be retained.

2. The agency/licensing authority shall use fingerprint-based state and national criminal history records solely for screening applicants for the reason requested and approved by the FBI and for no other purpose.

Initials: ______
3. Fingerprint-based state and national criminal history records cannot be disseminated outside the municipality/agency except to the person to whom the record pertains and to authorized law enforcement officials.

4. Agency officials responsible for determining suitability for licensing must provide the applicant with the opportunity to challenge the accuracy or completeness of the criminal history.

5. Agency officials must advise the applicant of the procedures to change, correct, or update a criminal record. Information regarding these procedures is available at mass.gov/cjis.

6. Agency officials should not deny a license to an applicant based on information in a criminal record until the applicant has been afforded a reasonable amount of time to correct or complete the information, or has declined to do so.

7. Licensing authorities are also subject to the requirements of 803 CMR 2.00 et seq. and, before taking adverse action against a license applicant based on the applicant’s criminal record, must comply with the requirements of 803 CMR 2.19 - 2.20.

8. Police departments and authorized municipal recipients shall store all criminal history record information received from the state and/or FBI for municipal licensing background check purposes in a secure location as defined in the FBI CJIS Security Policy. Police departments shall restrict access to areas in which the information is processed and handled to authorized personnel in the performance of their duties. Recipients of fingerprint-based state and national criminal history information must provide a secure area, out of the view of the public and unauthorized personnel, for the handling and retention of the information.

9. When fingerprint-based state and national criminal history information is no longer needed, the licensing authority is responsible for its destruction. It shall be destroyed by burning, shredding, or other method rendering the information unreadable.

10. All entities that obtain or use fingerprint-based state and/or national criminal history to screen municipal occupational licensing applicants are subject to audit by the DCJIS and the FBI.
