NEW FIRE CODE ORIENTATION FOR NON-FIRE SERVICE AUTHORITIES

November 24, 2015

Course Number:
200-006-NC1-2015-FA-A

This course is specifically designed for hearings officers and is an exciting opportunity to receive an exceptional orientation to the new fire code.

Location:
Massachusetts Firefighting
Academy
One State Road
Stow, MA
Classroom – Room 125

In addition, personnel who will be working with the Massachusetts Comprehensive Fire Safety Code but do not enforce the code should attend this training. The student will learn the layout of NFPA 1 and the Massachusetts amendments and how the two documents work together. Students will learn how to find requirements that apply to facilities they will be working in. Students will be provided a basic understanding of the significant changes that have occurred now that Massachusetts has adopted the new model fire code as a formal regulation (known as 527 CMR 1).

Time:
0900-1300

The course consists of four (4) hours of classroom time.

Credits
FCC = 2
FPO = 4

Information in the NFPA 1: Fire Code is addressed.

Prerequisite: There are no prerequisites to take this course.
