The Department of Fire Services, Office of the State Fire Marshal has coordinated informational sessions on Bomb Threat Assessment, specifically targeting the Commonwealth's educational community.

The Department of Fire Services is requesting the attendance of representatives from police, fire and school systems of interested municipalities. We will be limiting numbers per community in order to accommodate all who have expressed interest in this training. This 3-hour informative session will be presented by the following:

- Massachusetts State Police Bomb Squad
- Massachusetts State Police Fire Investigation Unit
- Northeastern Massachusetts Law Enforcement Council STARS (School Threat Assessment Response System)

Topics covered will include:

- Historical perspective on bomb threats
- Steps needed in order to conduct a logical and probing Threat Assessment
- Implementation of actions based upon effective Threat Assessment
- Utilization of tools that may assist in the Threat Assessment process
- Discussion of current trends in the Commonwealth and data
- Identification of other support systems available
- Investigative support for victims of bomb threats
