The Massachusetts Emergency Management Agency, in coordination with the Federal Emergency Management Agency and the National Weather Service, is pleased to announce two offerings of the 2017 Hurricane Preparedness Webinar to assist emergency management and public safety partners in preparing for the 2017 Atlantic Hurricane Season.

This 90 minute interactive presentation will focus on National Weather Service and National Hurricane Center decision support products and services and discuss state and federal hurricane planning and preparedness efforts. The target audience for this webinar includes local, state and federal emergency management and public safety officials across the Commonwealth.

This webinar will be offered twice. Please save the date for one of the following offerings:

- **Monday, July 17, 2017 1:00pm – 2:30pm**
- **Thursday, July 27, 2017 10:00am – 11:30am**
