Key Factors to Success

- Town buy-in (25%)
- Build a team of Town partners “early”
- Brainstorm every resulting benefit
- Brainstorm every supporting factors
- Prioritize
- Understand & Prepare for the workload
- Shoot for the Moon
 - 5% Initiative & Full Program applications
- Details, Details, Details
- Show & Prioritize need and supporting factors
- Clearly show the “negatives” if not awarded
- “Sell it”
- If First you don’t Succeed – Try Again

Give Credit where Credit Do (and cease critics)
