2017 Massachusetts All Hazards Emergency Preparedness Conference

November 1st and 2nd, 2017
DCU Center, Worcester, MA

- ❖ Two-day All Hazards Preparedness Conference for public and private sector emergency managers and other professionals involved in all hazards planning, preparedness, response, recovery and mitigation.
- ❖ Learn and network with local, state, regional, federal, and private sector practitioners from a variety of disciplines, including emergency management, fire services, law enforcement, public health, military, communications, public works, volunteer organizations, and business and industry.
- ❖ Conference will include presentations, panel discussions, plenary and breakout sessions, and training workshops.
- ❖ Formal invitation, registration instructions and agenda will be distributed soon.
