Introduction

Residential care homes choosing to submit their claims on paper must use the UB-04 claim form to submit their claims. This document provides detailed instructions for completing the paper UB-04 claim form.

Residential care home services are not covered by MassHealth, however, the Commonwealth of Massachusetts uses the MassHealth claims payment system to process claims on behalf of the Department of Transitional Assistance (DTA) for payment of residential care home services provided to residents receiving DTA assistance. For administrative purposes, MassHealth issues a 10-character identification number/service location code that permits residential care homes to submit claims through the MassHealth claims payment system for payment.

For information about submitting claims electronically, see the 837I Companion Guide for Residential Care Homes.

For information about the resulting remittance advice, see the *Residential Care Home Guide to the Remittance Advice for Paper Claims and Electronic Equivalents*.

General Instructions for Submitting Paper Claims

Entering Information on the UB-04 Claim Form

- Complete a separate claim form for each resident receiving DTA assistance.
- Type or print all applicable information (as stated in the instructions) on the claim form, using black ink only. Be sure all entries are complete, accurate, and legible.
- For each claim line, enter all required information as applicable, repeating if necessary. Do not use ditto marks or words such as "same as above."
- When a required entry is a date, enter the date in MMDDYY or MMDDYYYY format.

Time Limitations on the Submission of Claims

Claims must be received within 90 days from the through date entered in Field 6 (Statement Covers Period) of the UB-04 claim form.
