

INTERNATIONAL TRADE ASSOCIATIONS

AUSTRALIA

AusBiotech

AusBiotech is dedicated to the development, growth and prosperity of the Australian biotechnology industry.

Contact Person: Anna Lavelle

Tel: (03) 9828 1400

Fax: (03) 9824 5188

Email: admin@ausbiotech.org

Website: <http://www.ausbiotech.org/default.asp>

Medical Technology Association of Australia, MTAA

MTAA aims to ensure the benefits of modern, innovative and reliable medical technology are delivered effectively to provide better health outcomes.

Contact Person: Anne Trimmer

Tel: (+612) 9900 0650

Fax: (+612) 9900 0655

Email: Reception@mtaa.org.au

Website: <http://www.mtaa.org.au/pages/page2.asp>

Clean Energy Council

CEC develops and advocates the development and deployment of all clean energy technologies.

Contact Person: Matthew Warren

Tel: +61 3 9929 4100

Fax: +61 3 9929 4101

Email: info@cleanenergycouncil.org.au

Website: <http://www.cleanenergycouncil.org.au/cec.html>

BELGIUM

AGORIA

Agoria is Belgium's largest trade association. AGORIA is helping more than 1,600 companies in the technology industry.

Tel: 32 2 706 78 00

Fax: +32 2 706 78 01

Email: ibd@agoria.be

Website: <http://www.agoria.be>

BRAZIL

Aerospace Industries Association of Brazil

Aerospace Industries Association of Brazil represents aerospace industries. Members are involved in every stage of aeronautic, space and defense activities, including design, manufacturing, sales, customer support, and MRO services.

Tel: +55-12-3933-0657

Email: presidencia@aiab.org.br

Website: <http://www.aiab.org.br/english/>

ABIMO (Brazilian Association of the Industry of Medical, Dental, Hospital and Laboratory Articles and Equipments)

ABIMO is comprised of 320 members, working towards supplying high quality technical and normative services and aiming at increasing competitiveness and excellence in the industry.

Tel: (11) 3285-0155

Fax: (11) 3285-0155- extensions 21 and 30

Website: <http://www.abimo.org.br/modules/formulaire/formulaire.php?id=2>

SBBiotec (Brazil's association of BioTech)

Available only in Portuguese

Tel: +55 61 3223-0845

Email: carol@sbbiotec.org.br

Website: <http://www.sbbiotec.org.br/>

ABEEolica (Brazil Association of Wind Energy)

Available only in Portuguese

Tel: +55 11 2368-0680

Fax: +55 11 23 68-0685

Website: <http://www.abeeolica.org.br/>

CANADA

BioAlberta

BioAlberta represents the growing life science sector, which engages in providing attentive, proactive and timely services to over 30 member organizations.

Contact Person: Ryan Radke

Tel: (780) 425-3804

Fax: (780) 409-9263

Website: <http://www.bioalberta.com/>

LifeSciences British Columbia

LifeSciences British Columbia supports and represents the life sciences community of British Columbia through leadership, facilitation of investment and partnering, advocacy, and promotion of our world-class science and industry.

Contact Person: Don Enns

Tel: 604 669-9909

Fax: 604 669-9912

Email: info@lifesciencesbc.ca

Website: <http://www.lifesciencesbc.ca/>

MEDEC (Canada's Medical Technology Companies)

MEDEC represents the Canadian medical technology Industry with the objective to advancing healthcare through innovative technologies and devices.

Tel: 416 620-1915

Email: ceo@medec.org

Website: <http://www.medec.org/>

CanWEA (Canada Wind Energy Association)

CanWEA promotes the development and application of all aspects of wind energy in Canada, including the creation of a suitable policy environment.

Contact Person: Ulrike Kucera

Tel: 613-234-8716

Fax: 613-234-5642

Email: ulrikekucera@canwea.ca

Website: <http://www.canwea.ca/>

ITAC (Information Technology Association of Canada)

ITAC is a prominent advocate for the expansion of innovative capacities directed to a stronger productivity across all sectors through the strategic use of technology.

Contact Person: Janet Tite

Tel: 613 238-4822

Fax: 613 238-7967

Email: jtite@itac.ca

Website: <http://itac.ca/>

CPIA (Canadian Plastic Industry Association)

CPIA is a dynamic, member-driven organization dedicated to the growth of plastics businesses and helping the industry reach its full potential.

Tel: 905 678-7748

Fax: 905 678-0774

Website: <http://www.plastics.ca/>

BIOTECCanada

BIOTECCanada is dedicated to building the bio-economy in Canada. From cleaner energy to sustainable agriculture; from greener manufacturing to life-saving health therapies, Canadian biotech firms are discovering ways to revolutionize the economy.

Contact Person: Peter Brenders

Tel: 613-230-5585 ext. 229

Fax: 613-230-8850

Email: info@biotech.ca

Website: <http://www.biotech.ca/en/default.aspx>

MEDEC

MEDEC is committed to effective advocacy through leadership and engagement for Canada's medical technology companies.

Website: <http://www.medec.org/>

CHILE

Plastics Industry Association of Chile

ASIPLA has a membership of over 100 plastics companies and represents the Chilean plastic industry with the goal to promote the production and export of plastic based raw materials

Tel: 562-203-3342

Website: <http://www.asipla.cl/>

CORFO

Corfo is an executing agency of government policies in the field of entrepreneurship and innovation, through tools and instruments compatible with the central guidelines of a social market economy, creating the conditions for building a society of opportunity.

Website: <http://www.corfo.cl>

CONICYT

Ministry of Education, created in 1967 as an advisory body to the President on matters of scientific development, the National Scientific and Technological Research, CONICYT is guided today by two goals or strategic pillars: the promotion of capital formation strengthening human and scientific and technological base of the country. In turn, both pillars are enhanced in a transversal way through an area of scientific and international links.

Website: <http://www.conicyt.cl>

CHINA

CAMDI (China Association for Medical Devices Industry)

CAMDI represents companies and individuals engaged in manufacturing, distributing, R&D, testing and education training of medical devices.

Tel: 86-10-51905376

Fax: 86-10-51905377

Email: camdi@cmic.com.cn

Website: <http://www.camdi.org/en/lxwm.jsp>

CGTI (China Green-Tech Initiative)

CGTI is an international collaboration of more than 100 organizations, which focuses on identifying, developing and promoting green technology solutions in China. Partnering organizations are technology buyers and sellers, service providers, investors and policy makers.

Contact Person: Ellen G. Carberry

Website: <http://www.china-greentech.com/re>

DENMARK

DANSKBIOTECH

DANSK BIOTEK is biotechnology association of Danish companies.

Tel: +45 2048 8384

Email: communication@danskbiotek.dk

Website: <http://www.danskbiotek.dk/uk/contact>

MEDICO INDUSTRIEN

Medico Industrien is the medical device industry association, which develops, manufactures, and sells medical devices.

Tel: +45 4918 4700

Fax: +45 4918 4707

Email: medico@medicoindustrien.dk

Website: <http://www.medicoindustrien.dk/>

FRANCE

FIN (French Nautical Industries Federation)

The FIN represents and promotes the different sectors of the French nautical industries.

Tel: +33-1-44-37-04-00

Contact: Nathalie Bigaigon

Website: www.french-boating.com

GPNI (Groupement Professionnel National de L'informatique)

GPNI is a trade association comprised of small to medium sized information and technology companies.

Tel: 015-590-0630

Email: info@gpni.com

Website: <http://www.gpni.com/>

French Cleantech (FC)

FC represents French cleantech companies.

Tel: 068-022-3721

Email: contact@frenchcleantech.com

Website: <http://www.frenchcleantech.com/>

GPIC (Groupement de la Plasturgie Industrielle et des Composites)

GPIC consists of companies who manufacture plastics and components for use in diverse sectors such as the automobile industry, the aeronautics industry and the marine industry.

Tel: 014-401-1640

Email: contact@gpic.fr

Website: www.gpic.fr

CIFL (Comite Interprofessionnel des fournisseurs du laboratoire)

The CIFL represents the laboratory industry, suppliers, distributors and importers of equipment, consumables and reagents, and service providers

Tel: +33 (0) 1 44 18 98 62

Email: infos@cifl.com

Website: <http://www.cifl.com/cifl/UK/index.php>

SNITEM (French National Association for Medical Technology Industries)

SNITEM is committed to furthering the development of medical equipments in France.

Tel: +33 (0) 1 47 17 63 88

Fax: +33 (0) 1 47 17 63 89

Email: natalie.allard.web@snitem.fr

Website: <http://www.snitem.fr/>

GERMANY

German Aerospace Industries Association (BDLI)

The German Aerospace Industries Association represents the interests of this industrial sector.

Tel: +49-030-2061-400

Email: kontakt@bdli.de

Website: http://www.bdli.de/en/option.com_content/view,article/id,2/Itemid,2/

BVMed (German Medical Technology Association)

BVMed promotes and represents the combined interests of the medical technology industry and trading companies.

Tel: (030) 246 255 – 0

Fax: (030) 246 255 - 99

Email: info@bvmed.de

Website: <http://www.bvmed.de/Start/?language=2>

SPECTARIS (German High Tech Industry Association)

SPECTARIS represents the high-tech medium-sized business sector, which includes medical technology, optical technologies and analytical, biological, laboratory, and ophthalmic devices.

Tel: 0 30 41 40 21-27

Contact Person: Jennifer Goldenstede, Head of Foreign Trade & Export Promotion

Website: <http://www.spectaris.de/english/foreign-trade-fairs.html>

BSi Bundesverband Solar Industrie (BSi) e.V

BSi is the association of the German Solar Industry, working toward the enhancement of solar renewable energy products.

Tel: +49 30 2977788 0

Fax: +49 30 2977788 99

Website: <http://www.bsi-solar.de/english/index.asp>

BWE German Wind Energy Association

BWE is the largest individual association for renewable energies, representing the interests of wind turbine operators and all individuals who support wind energy.

Tel: +49-541-35060-0

Fax: +49-541-35060-20

Website: <http://www.wind-energie.de/>

GREECE

INBIT (Institute of Biomedical Technology)

INBIT aims at furthering the development of the field, by advancing areas of biomedical technology relating to management and quality in the health care sector.

Tel: 30 2610 911590

Fax: +30 2610 911592

Email: info@inbit.gr

Website: <http://www.inbit.gr/>

IRELAND

IMDA (Irish Medical Devices Association)

IMDA aims to promote and support an environment that encourages the sustainable development and profitable growth of multinational and indigenous medical device and diagnostic companies.

Tel: + 353 1 605 1564

Fax: + 353 1 638 1564

Email: firstname.surname@ibec.ie

Website: <http://www.ibec.ie/>

ITAG (Information and Technology Association Galway)

ITAG was established to continue the growth of a strong IT cluster in the Galway region, through networking and training events, joint initiatives, and regional and national advocacy.

Tel: +353 87 9677199

Email: contact@itag.ie

Website: <http://www.itag.ie/>

IWEA (Irish Wind Energy Association)

IWEA promotes the use of wind energy in Ireland and beyond as an economically viable and environmentally sound alternative to thermal or nuclear generation.

Tel: +353 45 899341

Fax: +353 45 854958

Email: office@iwea.com

Website: <http://www.iwea.com/>

NOW IRELAND (National Offshore Wind Association of Ireland)

NOW IRELAND promotes the development of Ireland's substantial offshore wind resource and to ensure the island leads the way in building a sustainable, green economy.

Tel: 042 9322952

Email: info@nowireland.ie

Website: <http://www.nowireland.ie>

MRIA (Marine Renewable Industry Association of Ireland)

MRIA includes firms engaged in device development and manufacture and developers of projects and sites based on marine renewable.

Email: chairman@mria.ie

Website: <http://www.mria.ie/>

ISRAEL

HTIA (High Tech Industry Association)

HTIA represents start up businesses, entrepreneurs, global and local companies.

Contact Person: Shany Peleg

Tel: +972-36440271

Email: shany@oscar4b.com

Website: <http://www.myreg.co.il/htia/>

REAI (Renewable Energy Association of Israel)

REAI was created to promote the implementation of renewable energy electricity production in Israel.

Tel: 02-5020010

Email: info@renewable.org.il

Website: <http://www.renewable.org.il/he-il/>

IAESI (Israel Association of Electronics and Software Industries)

IAESI is comprised of about 300 companies in the field of telecommunication, semiconductor, medical devices, military systems, and IT. ISEAI is focused to promote the electronic & software industry.

Contact Person: Shlomo Wax B

Tel: 03-519 8862

Fax: 03-516 1003

Email: Shlomo@iaesi.org.il

Website: <http://www.iaesi.org.il/>

Israel Biotechnology Organization, IBO

IBO promotes biotechnology industries and creates a supportive environment for their growth.

Contact person: Brosh Shraga

Tel: 972-3-5198833

Fax: 972-3-5103154

Email: broshs@industry.org.il

Website: <http://www.industry.org.il/Eng/SubIndex.asp?CategoryID=139>

INDIA

NASSCOM (National Association of Software & Service Companies)

Members are in the business of software development, services, products, consulting services, BPO services, e-commerce & web services, engineering services, off shoring and animation and gaming.

Contact Name: Som Mittal

Phone: 91-22- 2823 4844/51

Fax: 91-22- 2836 1576

Email: president@nasscom.in

OPPI (Organization of Pharmaceutical Producers of India)

OPPI is the association of research based international and large pharmaceutical companies in India. Its focus is to maintain an environment of innovation and growth and facilitate partnerships.

Tel: +91 22 24918123, 24912486, 66627007

Fax: +91 22 24915168

Email: indiaoppi@vsnl.com

IEEMA (Indian Electrical & Electronics Manufacturers Association)

IEEMA conducts technical activities under various divisions, where members meet and discuss industry and growth opportunities.

Contact Person: Ramesh Chandak

Tel: +91-22-2493 0532 +91-22-2493 0532 / 6528 / 6529

Email: mumbai@ieema.org

ABCI (Association of Business Communicators of India)

ABCI aims to provide a continuous learning opportunity that gives ABCI members the tools and information they need to be the best in their chosen disciplines of communications.

Contact Person: Kirit Varma

Email: kiritabci@rediffmail.com

Phone: +98 20 717858

Website : <http://www.abci.in/index.htm>

ISCA (India Science Congress Association)

ISCA aims to advance and promote the cause of science in India, through various promotional events.

Contact Person: Geetha Bali

Telephone: 033-2287-4530

E-mail: iscacal@vsnl.net

Website: <http://sciencecongress.nic.in/html/index.html>

InWEA (India Wind Energy Association)

InWEA is dedicated to the development of wind power in India. InWEA works to facilitate the creation of regulatory and policy environment for investments.

Contact Person: Dr. Anil S. Kane

Telephone: +91 11 26523042

E-mail: manish@inwea.org

Website: <http://www.inwea.org/index.htm>

MBAI (Marine Biological Association of India)

MBAI serves to promote research on marine sciences in the Asia-Pacific region. The association provides information to research workers, and produces articles to create an active interest among its members.

Contact Person: Dr. G. Syda Rao

Tel: +91 484 2394420, 2394867
Fax: +91 484 2394909
Email: mail@mbai.org.in, mbai@rediffmail.com
Website: <http://www.mbai.org.in/index.html>

AIPIA (All India Plastic Industries Association)

AIPIA is the leading association of SSI and Medium Scale plastic processing units and related interests in the country.

Contact Person: Shri R.N. Gupta

Tel: 011 27242826, 27417104

Telefax: 011 27412595

Email: aipia1982@rediffmail.com

Website: <http://www.aipia.org/>

ELCINA (Electronic Industry Association of India)

ELCINA promotes electronics manufacturing culture in the country, and focuses on components.

Contact Person: T. Vasu

Tel: +91 (011) 26924597

Email: elcina@vsnl.com

Website: <http://www.elcina.com/contact.asp>

AIMED (Association of Indian Medical Devices Industry)

AIMED is an umbrella association of Indian Manufacturers of Medical Devices covering all types of medical devices including consumables, disposables, and equipments of diagnostics.

Tel: +91-129-4289000

Fax: +91-129-4061164

Email: forumcoordinator@aimedindia.com

Website: <http://www.aimedindia.com/aboutus.html>

ITALY

ASSOBIOMEDICA

ASSOBIOMEDICA engages in the manufacturing of medical devices designed for diagnostic and therapeutic use.

Contact Person: Nives Murgia

Tel: 06 59 03962

Email: murgia@assobiomedica.it

Website: <http://www.assobiomedica.it/>

ASSOBIOTEC

ASSOBIOTEC is the Italian Association for the Development of Biotechnology, representing more than 120 companies all involved in various biotech-related fields

Tel: +39 02 34565306
Fax: +39 02 34565284
Website: <http://assobiotec.federchimica.it/>

ANEV (Italy National Wind Energy Association)

ANEV, the National Wind Energy Association represents the national wind energy industry, including producers and engineers working in the sector both in Italy and abroad.

Tel: +39 0642014701
Fax: +39 0642004838
Email: segreteria@anev.org
Website: <http://www.anev.org/>

ANIE Federation-Italian Federation of Electrotechnical and Electronic Industries

ANIE unites strategic players to deliver significant support to the growth of the Italian electrotechnical, electronics, and ICT companies to contribute to its success in international markets.

Tel: +39 02 3264310
Fax: +39 02 3264395
Website: <http://www.italiantech.com/browse.asp?goto=1&livello=0>

JAPAN

The Society of Japanese Aerospace Companies

The Society of Japanese Aerospace represents the interests of the Japanese aerospace industry and international aerospace industrial associations.

Chairman: Kazuo Tsukuda
Tel: +81-3-3585-0511
Website: http://www.sjac.or.jp/en_index.html

JEITA (Japan Electronics and Information Technologies Association)

JEITA promotes the consumption of electronic products and the development of the IT sector.

Representative Director: Kaoru Yano
Tel: 202-974-2476
Website: <http://www.jeita.or.jp/english/>

JSTRA (Japan Ship Technology Research Association)

JSTRA provides the maritime cluster, contributes toward maritime safety and their environmental protection, regulation research, development, and industrial standardization.

Contact Person: Takayuki Mabuchi
Tel: +81-3-5575-6425
Email: info@jstra.jp
Website: <http://www.jstra.jp/english/index.html>

Japan Robot Association

The Japan Robot Association aims to further the development of the robot manufacturing industry by encouraging research and development on associated system products.

Email: int@jara.jp

Website: <http://www.jara.jp/e/index.html>

JFMDA (Japan Federation of Medical Devices Association)

The JFMDA engages in the development, production and distribution of medical and health-care devices, equipment, instruments and materials.

Tel: 81-(0) 3-5225-6234

Fax: 81-(0) 3-3260-9092

Website: <http://www.jfmda.gr.jp/>

JIRA (Japan Industries Association of Radiological Systems)

JIRA represents the manufacturing and sales of diagnostic imaging equipment and systems, such as x-ray equipment, CT, MRI, ultrasound scanners, radiotherapy systems, and related products.

Tel: +81-3-3816-3450

Fax: +81-3-3818-8920

Website: <http://www.jira-net.or.jp/e/index.htm>

JWPA (Japan Wind Power Association)

Available in Japanese

JWPA brings together relevant industries and enterprises to promote the sound growth of wind power industries.

Website: http://jwpa.jp/index_e.html

MALAYSIA

AMMI (Association of Malaysian Medical Industries)

The AMMI promotes the medical device industry in the country.

Tel: 603-6204 9129

Fax: 603-6204 0057

Email: secretariat@ammi.com.my

Website: <http://www.ammi.com.my/html>

MMDA (Malaysia Medical Device Association)

MMDA is involved in the distribution and sales of medical devices and related healthcare products and equipment within Malaysia.

Tel: +603-7782 4468

Fax: +603-7785 4468

Email: secretariat@mmda.org.my

Website: <http://www.mmda.org>

Pharmaceutical Association of Malaysia

Pharmaceutical Association of Malaysia provides access to innovative medicines for better health and improved quality of life for all in Malaysia.

Tel: 03-7960 8322/23

Fax: 03-7960 8324

Email: phama@phama.org.my

Website: <http://www.phama.org.my/index.cfm?&menuid=9>

MEXICO

AMDEE (Mexican Wind Energy Association)

To be translated in English webpage in Spanish

Tel: +52 (55) 5395-9559

Email: gerencia@amdee.org

Website: <http://www.amdee.org/>

AMITI (The Information Technology Industry Association of Mexico)

AMITI was created to position information technology as the key ingredient to Mexico's competitiveness, promoting the industry's growth and facilitating business development.

Contact Person: Javier Allard, General Manager

Tel: + 52 (55) 5207-0409

Fax: + 52 (55) 5207-6016

Email: amiti@amiti.org.mx

Website: www.amiti.org.mx

Mexican Association of Innovative Medical Devices (a branch of Global Medical Technology Alliance)

Website: <http://www.globalmedicaltechnologyalliance.org/about>

NETHERLANDS

NL-BEA (Netherlands Bio-Energy Association)

NL-BEA promotes the interests of all Dutch companies involved in the biomass for energy chain.

Tel: 31 53 48 92 897

Fax: 31 53 48 93 116

Email: info@platformbioenergie.nl

Website: <http://www.platformbioenergie.nl/nl/>

HME (Holland Marine Equipment Association)

HME represents the Dutch maritime cluster in foreign markets, stimulate innovation and disseminate knowledge.

Tel: +31 (0) 10 44 44 333
Fax: +31 (0) 10 21 30 700
Email: info@hme.nl
Website: www.hme.nl

NORWAY

LFH (Leverandører For Helse-Norge)

LFH is the industry association for companies in Norway, which manufactures, distributes, and sells medical devices.

Email: LFH@LFH.NO
Website: <http://www.lfh.no/>

POLAND

POLMED (Polish Chamber of Commerce of Medical Devices)

POLMED operates on the Polish market for medical devices and improves the access of patients and physicians to modern, innovative medical technologies.

Contact Person: Witold Włodarczyk
Tel: +48 22 853 49 92
Email: witold.wlodarczyk@polmed.org.pl
Website: <http://www.polmed.org.pl/oizbie.html>

PORTUGAL

APORMED

APORMED is the main association representing the Medical Technology industry in Portugal.

Tel: +351 21 351 0690
Fax: +351 21 351 0699
Email: apormed@apormed.pt
Website: www.apormed.pt
Available in Portuguese

RUSSIA

AIPM (Association of International Pharmaceutical Manufacturers)

AIPM promotes the development of the pharmaceutical market, improving the quality of care and range of modern medicines for the benefit of the Russian population.

Phone: +7 (495) 933-7040

Fax: +7 (495) 933-7041

E-mail: [Secretariat @ AIPM. org](mailto:Secretariat@AIPM.org)

IMEDA (International Medical Device Manufactures Associations)

IMEDA is a nonprofit organization that introduces international manufacturers of medical equipment, devices and products in the Russian market.

Tel: +7-495-979-4803

Email: imeda@imeda.ru

Website: <http://www.imeda.ru/>

Russoft (Russian Software Developers Association)

Russoft represents the most technically competent software developing companies from Russia, Byelorussia and Ukraine.

Website: <http://www.russoft.org/russoft/>

APKIT (Information & Computer Technologies Industry Association)

APKIT is dedicated to advocating policies that advance the industry growth and development by facilitating international trade and investments in IT products and services.

Email: info@apkit.ru

Website: <http://www.apkit.ru/>

RWEI (Russian Wind Energy Association)

RWEI is designed to build and develop wind power market in the Russian Federation.

Website: <http://rawi.ru/ru/main.php>

GES Association (Association of Geothermal Energy Society)

GES association aims at promoting and developing geothermal energy in Russia, providing legal, technical and consulting support, and assisting government institutions with decision-making.

Phone: +7 (495) 361 -23-21

Website: <http://energy.nstl.gov.cn/MirrorResources/5777/about.asp.html>

ARDEC

Non-profit Russian Association comprising distributors of electronic components.

TEL: +7-0-953060026

FAX: +7-0-953060283

Website: <http://www.ardec.ru/>

SINGAPORE

SEAS (Sustainable Energy Association of Singapore)

SEAS represents the interest of companies in renewable energy, carbon trading, energy efficiency, clean development mechanism projects and the financial institutions.

Tel: +65-63388578

Email; info@seas.org.sg

Website: <http://www.seas.org.sg/index.php>

ASMI (Association of Singapore Marine Industries)

ASMI is composed of big and small shipyards, local and foreign manufacturers and suppliers of marine equipment and components, marine engineering and consultancy companies.

Contact Person: Winnie Low

Tel: +65-68633038

Email: admin@asmi.com

Website: <http://www.asmi.com/>

SPIA (Singapore Plastic Industrial Association)

SPIA represents the plastic industry including companies that manufacturers of plastic molding, plastic extrusion, plastic blowing, PVC and leather products.

President: Ronald Lim

Tel: +65-67435571

Email: spia@spia.org.sg

Website: <http://www.spia.org.sg/index.asp>

AMDI (Association of Medical Device Industry)

AMDI serves as a key representative body for the medical device industry.

Contact Person: Henry Tan

Tel: +65 6829-5506

Email: secretariat@amdi.org.sg

Website: <http://www.amdi.org.sg/>

AMBIS (Association for Medical and Bio-Informatics, Singapore)

AMBIS aims at promoting the growth, development and usage of information science and information technology with application to health care and to the education of health professionals in Singapore.

Dr Rick Chan, President

Email: rickchan@gmail.com

Website: <http://www.ambis.org.sg/activities.html>

SOUTH AFRICA

SAMED (South African Medical Device Association)

SAMED promotes, represents and safeguards the interests of the South African Medical Device and In-Vitro Diagnostics (IVD) industry, while focusing on relevant healthcare matters.
