May 28, 2015
8:30 a.m. – 4:00 p.m.

Sherwood Middle School

28 Sherwood Avenue
Shrewsbury, MA 01545

This course qualifies for 6 professional
development points (PDP) and 6 MCPPO
recertification credits.

Prerequisite: No Prerequisite
Instructional Method: Group-Live

Course Level: Basic
Advanced Prep: None

Co-sponsored with the Massachusetts School Building Authority, this new on-site class immerses attendees in the story of a public building construction project from the beginning of the planning stages to the final stages, resulting in a building “coming to life.” You will gain insight from project management teams, owner’s project managers, architects, contractors, building committee members and others.

Topics covered include:

- Key ingredients for a successful project
- Lessons learned
- Post-construction experiences
- A tour of the subject building with a question & answer period

Lunch will be provided in the new school cafeteria
