AN ACT RELATIVE TO REGIONAL HEALTHCARE.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1     There is hereby established a pilot project creating a regional  
2     administration center for Northern Berkshire County's health care  
3     industry. Northern Berkshire county is defined as the city of North  
4     Adams and the towns of Adams, Cheshire, Clarksburg, Florida,  
5     Savoy and Williamstown. Said center would handle all paperwork  
6     relating to health care for patients and programs. The effects and  
7     outcomes of the pilot program should be studied and if determined  
8     to have a positive impact on the health care industry, should be used  
9     as basis and model to create these regional administration centers  
10    throughout the Commonwealth.
