AN ACT RELATIVE TO THE EMERGENCY CALL BOX SYSTEM ALONG THE  
COMMONWEALTH'S INTERSTATE ROADWAYS.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

- 1 The committee shall determine the effectiveness of this system.
- 2 This would include the potential for the system to give a motorist a
- 3 false sense of security when accessed, whether technology including
- 4 cell phones are a reasonable substitute; and whether the system if
- 5 deemed ineffective, should remain in place or be dismantled.
