### AN ACT RELATIVE TO THE AGREEMENT AMONG STATES TO ELECT THE PRESIDENT BY NATIONAL POPULAR VOTE.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority  
of the same, as follows:*

SECTION 1. The General Laws is hereby amended by inserting after chapter \_\_, as appearing in the 2004  
Official Edition, the following chapter: -

Chapter \_\_\_\_.

Agreement Among The State To Elect The President Of The United States By National Popular Vote

#### SECTION 2. Membership

Any State of the United States and the District of Columbia may become a member of this agreement by enacting  
this agreement.

#### SECTION 3. Right of the People in Member States to Vote for President and Vice President

Each member state shall conduct a statewide popular election for the President and Vice President of the United  
States.

#### SECTION 4. Manner of Appointing Presidential Electors in Member States

Prior to the time set by law for the meeting and voting by the presidential electors, the chief election official of each  
member state shall determine the number of votes for each presidential slate in each State of the United States and in  
the District of Columbia in which votes have been cast in a statewide popular election and shall add such votes  
together to produce a “national popular vote total” for each presidential slate. The chief election official of each  
member state shall designate the presidential slate with the largest national popular vote total as the “national  
popular vote winner.”

The presidential elector certifying official of each member state shall certify the appointment in that official’s own  
state of the elector slate nominated in that state in association with the national popular vote winner.

At least six days before the day fixed by law for the meeting and voting by the presidential electors, each member  
state shall make a final determination of the number of popular votes cast in the state for each presidential slate and

shall communicate an official statement of such determination within 24 hours to the chief election official of each other member state.

The chief election official of each member state shall treat as conclusive an official statement containing the number of popular votes in a state for each presidential slate made by the day established by federal law for making a state's final determination conclusive as to the counting of electoral votes by Congress.

In event of a tie for the national popular vote winner, the presidential elector certifying official of each member state shall certify the appointment of the elector slate nominated in association with the presidential slate receiving the largest number of popular votes within that official's own state.

If, for any reason, the number of presidential electors nominated in a member state in association with the national popular winner is less than or greater than that state's number of electoral votes, the presidential candidate on the presidential slate that has been designated as the national popular vote winner shall have the power to nominate the presidential electors for that state and that state's presidential elector certifying official shall certify the appointment of such nominees. The chief election official of each member state shall immediately release to the public all vote counts or statements of votes as they are determined or obtained.

This article shall govern the appointment of presidential electors in each member state in any year in which agreement is, on July 20, in effect in states cumulatively possessing a majority of the electoral votes

#### SECTION 5 Other Provisions

This agreement shall take effect when states cumulatively possessing a majority of the electoral votes have enacted this agreement in substantially the same form and the enactments by such states have taken effect in each state.

Any member state may withdraw from this agreement, except that a withdrawal occurring six months or less before the end of a President's term shall not become effective until a Presidential or Vice President shall have been qualified to serve the next term.

The chief executive of each member state shall promptly notify the chief executive of all other states of when this agreement has been enacted and has taken effect in that official's state, when the state has withdrawn from this agreement, and when this agreement takes effect generally.

This agreement shall terminate if the electoral college is abolished.

If any provision of this agreement is held invalid, the remaining provisions shall not be affected.

#### SECTION 6 Definitions

For the purposes of this agreement,

"chief executive" shall mean the Governor of a state of the United States or the Mayor of the District of Columbia;
