*Be it enacted by the Senate and House of Representatives in General Court assembled,  
And by the authority of the same, as follows:*

1 SECTION 1. Section 1 of Chapter 176J of the General Laws is hereby amended by inserting the  
2 following two definitions:

3 “Association health plan”, a Massachusetts nonprofit or not-for-profit corporation all the  
4 members of which are qualified associations and that negotiates with one or more carriers for  
5 the issuance of health benefit plans that cover employees of qualified association members and  
6 their dependents. To be certified by the Commissioner, an association health plan must have a  
7 minimum of twenty-five qualified associations contracted to provide the plan to their members.

8 “Qualified association”, a Massachusetts nonprofit or not-for-profit corporation or other entity  
9 that has been organized and maintained for purposes of advancing the occupational,  
10 professional, trade or industry interests of its members, other than that of obtaining health  
11 insurance, that has been in active existence for at least five years, that is comprised of at least

13 profession, trade or industry without regard to the health condition or status of a prospective  
14 member.

15 SECTION 2. Chapter 176J of the General Laws is hereby amended by adding at the end  
16 thereof the following new section:

17 Section 11. Association Health Plan

18 (a) The commissioner shall write regulations governing the establishment and  
19 oversight of association health plans. Those regulations shall require that all state mandated  
20 benefits are required under such plans, that denial of coverage due to the health condition, age,  
21 race or sex is prohibited, and that no eligible small business who is a member of the association  
22 health plan may be charged a premium rate higher than what the carrier would charge to a  
23 similarly situated eligible small business who is not a member of the association health plan.  
24 The Commissioner shall authorize not more than one association health plan.

25 (b) The commissioner shall biannually certify that an association health plan  
26 satisfies the requirements of this chapter. Only an association health plan that has been certified  
27 by the commissioner may procure health care coverage for the benefit of qualified association  
28 members.

29 (c) The books and records of an association health plan and the methodology which  
30 it confirms the status of qualified associations shall be subject to review by commissioner.

31 (d) Health care coverage procured by an association health plan may be sold only to  
32 qualified association members and shall be sold only through duly licensed agents and brokers.

33 (e) Eligible businesses for the association health plan shall have 10 or less  
34 employees.

35 (f) The Commissioner shall report on the effectiveness and business cost savings to  
36 the Committee on Senate Ways and Means and House Ways and Means as well as the Joint

37 Committees on Health Care Financing and Financial Services within 24 months of the initial  
38 certification of the association health plan as defined under this section.

39 (g) This section shall expire 48 months after the initial certification of the  
40 association health plan.

To the Honorable Senate and House of Representatives of the Commonwealth of Massachusetts in the General Court assembled.
