The task force shall submit its plan to the general court by April 1, 2004. The plan shall include recommendations for regulatory and statutory changes needed in order to implement the plan.".

[The Governor had vetoed said section.]; and

"SECTION 120. Notwithstanding any general or special law, rule or regulation to the contrary, the division of medical assistance may, on a demonstration basis in the area defined and limited under the federally funded DOHHS URSA CAP Grant 11-G92-OA 00005-02, provide benefits described in section 9C of chapter 118E of the General Laws to employees and employers who are described and limited under the terms of the program set forth in the demonstration, and may expend monies from any appropriation for benefits provided under said section 9C of said chapter 118E to also provide benefits specified in the demonstration expanding the income limits set forth in said section 9C of said chapter 118E from 200 per cent to 300 per cent of the federal poverty level if (1) the division seeks to obtain a modification of its demonstration, as defined in subsection (1) of section 9A of said chapter 118E that would allow for federal reimbursement for any of the expenditures for providing the benefits specified in the demonstration; and (2) the demonstration, without expenditure of monies from any appropriation for benefits provided under said section 9C of said chapter 118E, also be permitted to offer health coverage to employees between 300 per cent and 400 per cent of the federal poverty level. Sections 3 to 8, inclusive, of chapter 176J of the General Laws and 211 CMR 66.00 shall not apply to health coverage provided by carriers pursuant to this section.".

[The Governor had vetoed said section.]

Severally referred, under Rule 7A, to the committee on Steering, Policy and Scheduling.

Mr. Kujawski of Webster, for said committee, reported, in each instance, that the matter be scheduled for consideration by the House, the question being on whether said items and sections stand as passed by the General Court.

Mr. Rogers of Norwood, for the committee on Ways and Means, on Economic a message from His Excellency the Governor (for message, see House, stimulus No. 4366) returning with his disapproval of certain sections, and reduction reductions in certain sections contained in the engrossed Bill relative and to investments in emerging technologies to promote job creation, economic stability and competitiveness in the Massachusetts economy (see House, No. 4328), reported, in part, in each instance, that the following sections stand (as passed by the General Court):

disapprovals.

Economic stimulus bill, reduction and disapprovals. "SECTION 9. Said section 2RR of said chapter 29, as so appearing, is hereby further amended by adding the following 6 subsections:—

(f) The director, in consultation with the secretary of economic development, shall adopt regulations to carry out the purposes of this section, including the criteria set forth in paragraph (1) of subsection (b). The regulations shall provide for a rolling applications process and shall allow employers with plans to locate in the commonwealth and employ commonwealth residents to apply for grants. The director may contract with a private organization to carry out some or all of the director's duties provided in this section.

The board may require a match or co-investment from participating organizations; provided, however, that in determining the amount of any match, the board shall establish different requirements for organizations based on the size of the organization, its profit or not-for-profit status and financial capacity.

(g) Documentary materials or data made or received by an employee of the department of workforce development, or previously by the division of employment and training, to the extent that such materials or data consist of trade secrets or commercial or financial information regarding the operation of a business conducted by an applicant for a grant from the fund established by this section, shall not be public records and shall not be subject to section 10 of chapter 66.

(h) The director shall, in accordance with section 328 of chapter 127 of the acts of 1999, prepare a performance evaluation of the workforce training grants awarded under this section. The evaluation shall assess the effectiveness of each grant awarded in terms of the (1) development of employee skills; (2) increase in employee wages; (3) improvement in employee retention rates; (4) improvement of employee productivity; (5) impact on employer's business and (6) impact on regional economy, including reduction of regional unemployment levels. The director shall require, as a condition of receiving a grant under this section, employers to provide, within a time frame following the end of the grant period as established by the director, such information and data determined by the director to be necessary to complete the performance evaluation.

(i) The director shall make no grant under this section to any person or entity from the Fund, nor shall any technical assistance be provided by the department out of the proceeds of the Fund, to any person or entity unless the person or entity applies for and receives a certificate of tax in good standing with the department of revenue with respect to all tax types for which it should be registered and for which it is obligated to file reports or returns. A certified copy of the certificate shall be presented to the director before the issuance of any grant under this section before the department's providing any technical assistance to the person or entity.

(j) There is hereby established a board to be known as the Workforce Training Fund Advisory Board, consisting of 9 members, who are citizens of the commonwealth, to be appointed by the governor. Three members shall be persons representing businesses or employers; 3 shall be persons representing employees or employees of labor organizations, 2 of whom shall be selected from a list of 5 recommended

by the President of the Massachusetts AFL-CIO; and 3 shall be persons representative of the public, 2 of whom shall have expertise or experience in workforce training and 1 of whom shall represent a non-profit workforce training provider. The governor shall designate as chairman of the advisory board 1 of the members appointed as representative of the public. Members shall serve for a term of 6 years. Of the members originally appointed, 1 employer representative and 1 employee representative shall serve for a term of 4 years, and 1 employer representative and 1 employee representative shall serve for a term of 6 years; and thereafter, as their terms expire, the governor shall appoint members for terms of 6 years. Vacancies shall be filled by appointment by the governor for the remainder of the unexpired term. All members shall serve until the qualification of their respective successors. Members shall serve without compensation. The advisory board shall advise the director of the department of workforce development on the administration of the workforce training fund grant program, including but not limited to reviewing and making recommendations on grant requirements and selection criteria and reviewing grant applications and making recommendations about grant awards. The advisory board shall, from time to time, submit recommendations to the legislature on any legislative changes it deems necessary for the successful operation

(k) To provide technical assistance to increase training opportunities available to employees. The director may provide this direct technical assistance by using existing institutions such as local workforce investment boards, community colleges, labor organizations, administrative entities for service delivery areas under the federal Workforce Investment Act, or its successor statute, and other entities that have expertise in providing technical assistance regarding employee training or with employees of the departments of labor and workforce development or of the commonwealth corporation. Such expenditures shall not exceed \$3,000,000 each year and the director shall demonstrate that each dollar expended generates not less than \$5 in private investment in job training. Of the \$3,000,000, not less than \$75,000 shall be provided annually to the Workforce Investment Board Association to support the activities of business, labor, education, youth councils and community members in leading regional workforce development systems; each of the 16 workforce investment boards shall receive \$75,000 annually; and each of the 16 workforce investment boards shall receive \$20,000 annually for youth councils.".

[The Governor had vetoed said section.];

"SECTION 53. (a) There shall be established within the department of business and technology a small business and very small firms assistance advisory council, in this section called council, which shall make policy recommendations to the department regarding the commonwealth's small business and very small firms assistance programs and funding activities. For the purposes of this act, the term 'very small firms' shall include entrepreneurs whose businesses employ less than 20 people and are less likely and less able to tap traditional sources of business consulting, assistance and finance.

Economic stimulus bill, reduction and disapprovals.

(b) The council shall be comprised of the following members: the director of the department of business and technology or his designee, who shall serve as the chair of the council; the director of the department of housing and community development or his designee; the director of Massachusetts Development or his designee; the President of the Massachusetts Community Development Finance Agency; the director of the state office of minority and women business assistance; a representative of the Massachusetts Entrepreneurial Opportunity Network; a representative of the Massachusetts Association of Community Development Corporations; a representative of the Massachusetts Community Action Program Director's Association: a representative of the Massachusetts Bankers Association; a representative of the Massachusetts Community Banking Council; the director of the Massachusetts office of the Small Business Administration or his designee; and the following 4 members to be appointed by the director of the department of business and technology: a representative of the commonwealth's small business centers, the director of a community development financial institution, a small business owner, and, a member of an organization that provides technical assistance or training to very small firms.

(c) Members of the council shall serve for 2 year terms and shall be appointed within 3 months of the effective date of this act.

(d) The council shall: conduct an evaluation of the current state system of delivering assistance to small businesses and very small firms; produce data on the number and types of small businesses and very small firms in the commonwealth; research and investigate strategies for the delivery of state assistance to small businesses and very small firms; make recommendations to the department of business and technology and the legislature for improving the delivery system for assistance to small businesses and very small firms, including recommendations for a more efficient and effective strategy for reaching and providing assistance to very small firms, cost-effective delivery methods for providing technical assistance, better coordination of assistance programs, and better coordination with other state programs, agencies, and public instrumentalities so that state assistance can leverage charitable foundation support, federal program funding and private sector support for small businesses and very small firms; and, conduct continual evaluations of the commonwealth's delivery system.

(e) The council shall meet on a monthly basis or as needed and shall produce an initial report within 6 months of its first meeting to the governor, the secretary of economic affairs, and the clerks of the house of representatives and the senate who shall forward the same to the president of the senate, the minority leader of the house, the minority leader of the senate, the speaker of the house of representatives and the chairpersons of the house and senate committees on labor and commerce. The report shall contain the evaluation of the current state system of delivering assistance to small businesses and very small firms. The council shall also report within 1 year of first meeting, which report shall outline best practices for state-level delivery of assistance to small businesses and very small firms and make recommendations to the department of business and tech-

nology for improving the delivery system. Thereafter, the council shall meet at least quarterly and additionally as needed. The council shall report annually, evaluating the state system of delivering assistance to small businesses and very small firms with recommendations for improvements.".

[The Governor had vetoed said section.]; and

"SECTION 54. Notwithstanding any general or special law to the contrary, not later than 10 days after the effective date of this act, \$6,000,000 shall be made available from the Economic Stimulus Trust Fund to the department of workforce development for grants administered by the department for the following purposes:

Of the total transfer, not less than \$3,000,000 shall be expended for the operation of programs whose primary purpose is workplace education and training grants managed by industry-driven partnerships that include, but are not limited to, workforce development providers, institutions of higher education, and employers to promote the career advancement of workers and the productivity of businesses in the commonwealth, including for the operation of the Building Essential Skills through Training Initiative.

Not more than \$250,000 shall be made available to the Massachusetts Council of Human Service Providers, Inc. to develop an industry-guided, internet-based workforce development program for direct care workers who provide direct care services pursuant to purchase of service contracts with the executive office of health and human services or agencies within that executive office.

The workforce development grant program shall: (1) provide essential training and credentialing for the direct care workforce in an industry; (2) improve the quality of services provided to clients; and (3) improve recruitment and retention of a well-trained direct care workforce. The council may expend these funds to hire a program director as well as consultants with expertise in the field of human services training to develop a curriculum and to administer the program using an e-learning, or web or internet based environment.

Not less than \$1,250,000 of the funds allocated herein shall be for grants under the health professions worker training program established pursuant to section 9 of chapter 23H of the General Laws; provided, that not less than \$500,000 shall be provided for grants to providers of workforce development and job skills training services for projects benefiting older adults; provided further, that not less than \$1,000,000 shall be made available for grants under a competitive application process to community-based nonprofit organizations that provide workforce development and job training services, utilizing the following criteria; whether the project will lead to employment on the part of unemployed individuals and improved employment for low wage workers; whether the project will result in employment at wages sufficient to support a family or place individuals on a career path leading to such employment and wages; and whether the project will have a positive economic impact on a region with high levels of unemployment or a high concentration of low-skilled workers. Grants awarded under this section shall observe the following guidelines: the educational or eligible service provider, as defined in section 8 of chapter 23H, is an existing, experienced, and Economic stimulus bill, reduction disapprovals. effective provider of workforce development services within the state; the program involves workforce development services that is an area of local employment need, particularly for low income residents or low wage workers; and preference will be given to educational and eligible service providers, as defined in section 8 of chapter 23H, which provide workforce development services which operate in economic opportunity areas as defined in section 3E of chapter 23A of the General Laws or serve residents of economic opportunity areas.

Recipients of grants under this section must match such grant funding in an amount equal to thirty percent of the value of such grant. The match may be in the form of funding, equipment, or personnel.

The director shall annually, by September 31, 2005, report to the secretary of administration and finance, the house and senate committees on ways and means, the joint committee on education, arts and humanities, the joint committee on state administration, and the joint committee on commerce and labor the status of grants awarded under this section, including the number of educational and eligible service providers receiving grants, the number of participants receiving services, the number of participants placed in employment, the salary and benefits that participants receive post placement, and the cost per participant, and job retention or promotion rates one year after training ends.

The director, working with and through the state workforce investment board, may collect and disseminate information concerning areas of projected employment need. The state workforce investment board may also prepare and publish studies, organize conferences, and conduct special projects which will increase knowledge and communication in the areas of employment need, skills training, and education.

The director of the department of workforce development shall adopt regulations to carry out the purposes of this section.".

The Governor had reduced said section by striking out the following: "Notwithstanding any general or special law to the contrary, not later than 10 days after the effective date of this act, \$6,000,000 shall be made available from the Economic Stimulus Trust Fund to the department of workforce development for grants administered by the department for the following purposes:" and inserting in place thereof the following: "Notwithstanding any general or special law to the contrary, not later than 10 days after the effective date of this act, \$1,500,000 shall be made available from the Economic Stimulus Trust Fund to the department of workforce development for grants administered by the department for the following purposes:".].

Severally referred, under Rule 7A, to the committee on Steering, Policy and Scheduling.

After debate on the motion to postpone, the sense of the House was taken by yeas and nays, at the request of the same member; and on the roll call 23 members voted in the affirmative and 129 in the negative.

[See Yea and Nay No. 480 in Supplement.]

Therefore the motion to postpone was negatived.

After further debate on the question on passing said section, notwithstanding the objections of His Excellency the Governor, the sense of the House was determined by year and nays, as required by Chapter I, Section I, Article II of the Constitution; and on the roll call 121 members voted in the affirmative and 32 in the negative.

[See Yea and Nav No. 481 in Supplement.]

Therefore section 70 was passed, notwithstanding the objections of the Governor (more than two-thirds of the members present and voting having voted in the affirmative). Sent to the Senate for its action.

Section 71 contained in the engrossed Bill relative to investments in emerging technologies to promote job creation, economic stability and competitiveness in the Massachusetts economy (see House, No. 4328), which had been returned by His Excellency the Governor with his objections thereto in writing (for message, see House, No. 4366), was considered.

Pending the question on passing said section, notwithstanding the objections of His Excellency the Governor, Mr. Peterson of Grafton moved that further consideration thereof be postponed until Monday, February 2.

After debate on the motion to postpone, the sense of the House was taken by yeas and nays, at the request of the same member; and on the roll call 22 members voted in the affirmative and 129 in the negative.

[See Yea and Nav No. 482 in Supplement.]

Therefore the motion to postpone was negatived.

On the question on passing said section, notwithstanding the Emerging objections of His Excellency the Governor, the sense of the House was determined by yeas and nays, as required by Chapter I, Section I, Article II of the Constitution; and on the roll call 122 members yea and nay voted in the affirmative and 31 in the negative.

#### JOURNAL OF THE HOUSE,

Emerging technologies section 74 stands, yea and nay No. 487. After debate on the question on passing said section, notwithstanding the reductions of His Excellency the Governor, the sense of the House was determined by yeas and nays, as required by Chapter I, Section I, Article II of the Constitution; and on the roll call (Mr. Correia of Fall River being in the Chair) 132 members voted in the affirmative and 22 in the negative.

[See Yea and Nav No. 487 in Supplement.]

Therefore section 74 was passed, notwithstanding the reductions of the Governor (more than two-thirds of the members present and voting having voted in the affirmative). Sent to the Senate for its action.

Fiscal relief, Nashoba Valley Board of Health.

Fiscal relief, section 4 stands, yea and nay No. 488. Section 4 contained in the engrossed Bill relative to fiscal relief funds (see House, No. 4302), which had been returned by His Excellency the Governor with his objections thereto in writing (for message, see House, No. 4342), was considered.

On the question on passing said section, notwithstanding the objections of His Excellency the Governor, the sense of the House was determined by yeas and nays, as required by Chapter I, Section I, Article II of the Constitution; and on the roll call 131 members voted in the affirmative and 21 in the negative.

[See Yea and Nay No. 488 in Supplement.]

Therefore section 4 was passed, notwithstanding the objections of the Governor (more than two-thirds of the members present and voting having voted in the affirmative). Sent to the Senate for its action.

#### Paper from the Senate.

Electric facilities, sitings. A House petition of John P. Fresolo and Michael F. Kane for legislation to further define the term "electric company" for the siting of transmission facilities in the Commonwealth, came from the Senate with the endorsement that said branch had concurred in the suspension of Joint Rule 12, non-concurred in the reference to the committee on Government Regulations, and that it had been referred, in non-concurrence, to the committee on Energy.

On motion of Mr. Binienda of Worcester, the House receded from its reference; and the petition (accompanied by bill, House, No. 4432) was referred, in concurrence, to the committee on Energy.

#### Order.

Next sitting. On motion of Mr. Finneran of Boston,—

Ordered, That when the House adjourns today, it adjourn to meet tomorrow at ten o'clock A.M.

Mr. Finneran then moved that the House adjourn; and the motion prevailed. Accordingly, without further consideration of the remaining matters in the Orders of the Day, at three minutes after three o'clock P.M. (Mr. Correia of Fall River being in the Chair) the House adjourned, to meet tomorrow at ten o'clock A.M.
