Gracious God, today we begin our legislative session on the first day of a new month. With hearts and minds filled with hope and enthusiasm, we look to You for guidance as we take up and address the legislative and administrative matters which come before us. In these unusual and complex times, inspire us to make decisions and to select options which are reasoned, principled and in accord with Your ways. May we always be faithful in our daily living to our own human and spiritual values, principals and religious beliefs. Teach us to work together and to be open to the insights of all people in our continuing dialogue on the meaning of the common good in contemporary society and culture
