Seminar 8:00 am - 12:15 pm

The Massachusetts Consultation Program is offering a **free** half-day health & safety seminar designed to help employers in the construction industry prevent injuries/fatalities. Speakers are from OSHA and the MA DOS. Topics presented at this training seminar are the top four causes of construction fatalities. These are;

**Falls**

**Trenches**

**Struck-By**

**Electrocutions**

Registration required. Space is limited so please register early.
