# **Attention**

## **Roofing Contractors, Siding Contractors, Construction Companies**

**Are you interested in knowing more about OSHA's fall protection requirements at your job sites?**

***You are invited to attend a free seminar that will:***

**Explain, demonstrate and discuss what is required by OSHA's fall protection standard in the construction industry – focusing on residential applications including roofing and siding**

***We want you to come and ask questions!***

**Qualified instructors with years of experience will present practical solutions to common situations encountered at your job sites**

***We want you to have the right information!***

Seminars sponsored by Federal OSHA and the Massachusetts Department of Labor Standards
