### Career Center Hours of Operation Form

To assure the capacity of the Workforce Investment System to best accommodate the needs of its jobseeker and business customers, the local Board must give reasonable consideration when setting Career Center hours of operation. Career Center hours of operation must ensure access to services that meet the needs of local area customers.

For each Career Center in your Workforce Investment Area please complete the following information chart including hours of operation of each Career Center, including satellite sites for Fiscal Year 2007:

<b>Career Center Name:</b>	
<b>Address:</b>
