It also includes the handling, planting, drying, packing, packaging, processing, freezing, or grading prior to delivery for storage of any agricultural or horticultural commodity in its unmanufactured state. For the purposes of this definition, agricultural commodities means all commodities produced on a farm including crude gum (oleoresin) from a living tree products processed by the original producer of the crude gum (oleoresin) from which they are derived, including gum spirits of turpentine and gum rosin. *Farmwork* also means any service or activity covered under §655.103(c) of this chapter and/or 29 CFR 500.20(e) and any service or activity so identified through official Department guidance such as a Training and Employment Guidance Letter.

Generally, employment which is contemplated to continue indefinitely is not temporary.
