PRIORITY FOR SERVICES

ADULT PRIORITY

(WIOA Sec. 134(c)(3)(E)) —Priority for individualized career services (ref. § 678.430(b)) and training services funded with Title I adult funds must be given to recipients of:

- public assistance,
- other low income individuals, and
- individuals who are basic skills deficient (as defined in WIOA sec. 3(5)(B)) in the local area.

States and local areas must establish criteria by which the one-stop operator will apply the priority under WIOA sec. 134(c)(3)(E). Such criteria may include the availability of other funds for providing employment and training-related services in the local area, the needs of the specific groups within the local area, and other appropriate factors. (§680.600(b)).

The priority established under §680.600(b) does not necessarily mean that these services may only be provided to recipients of public assistance, other low income individuals, and individuals without basic work skills. The Local Board and the Governor may establish a process that also gives priority to other individuals eligible to receive such services, provided that it is consistent with priority of service for Veterans. (§680.600(c))

VETERANS PRIORITY OF SERVICE

Veterans under WIOA sec. 3(63)(A) and 38 U.S.C. 101 receive priority of service in all Department of Labor-funded training programs under 38 U.S.C. 4215 and described in 20 CFR 1010. A Veteran must still meet each program's eligibility criteria to receive services under the respective employment and training program. (Proposed rules 680.650-660).
