Our network of One-Stop Career Centers, located in communities across the state, provide a wide variety of services to help you become re-employed:

• Career planning and guidance
• Training opportunities
• Access to computers, faxes, printers, phones, and assistive technology in our resource rooms
• Workshops on resume writing, interviewing, networking, salary negotiations, and more
• Job fairs with potential employers

To find a career center near you, go to mass.gov/connectjobs or call 877-US 2 JOBS

Last year, 100,000 job seekers who visited the One-Stop Career Centers found employment.
